

# Transfer To UC: What You Need to Know

**ELAC Transfer Center 2015**

# 9 UC Undergraduate campuses

# UC Transfer Timeline

Date	Task
August 1	UC application opens for Fall 2016 admission
September 1-30	Submit your UC TAG application
November 1-30	Submit your UC Undergraduate application
January	Submit your Transfer Academic Update (TAU)- <i>this allows you to enter Fall final grades</i>
April	Notification of admission decision
June 1	Statement of Intent to Register (SIR) deadline
July 1	Final transcript deadline

# UC Application

- Visit:

<https://admissions.universityofcalifornia.edu/applicant/login.htm>

ALL first-time applicants start here

The filing deadline for Fall 2016 is 11:59 p.m. PST November 30, 2015

UNIVERSITY OF CALIFORNIA

## My UC Application

**Tip:** Make your UC application experience an enjoyable one. Remember to update your browser to the latest version. Happy applying!

Password  
  
**GO** ▶ Forgot your password?

**Create a New Account**  
If you don't have an account you can create one here.  
**NEW ACCOUNT** ▶

**Statement of Intent**

**Need Help?**  
Call the UC Application Center  
(800) 207-1710 (with a payphone)  
(310) 513-2715 (outside the US)  
e-mail [ucinfo@appl.ca](mailto:ucinfo@appl.ca)

**Questions?**  
If I've already submitted an application and want to submit an additional campus application?

# UC Application Fees & Fee Waivers

- The UC Application fee is \$70 for U.S. applicants; \$80 for International applicants
- UC will waive application fees for up to four campuses for qualified students who would otherwise be unable to apply for admission
  - The fee waiver program is for United States citizens, permanent residents, and applicants eligible for AB540 benefits
- You can apply for a fee waiver within the online application and be notified immediately whether you have qualified
  - You will need to provide your family's income and the number of people supported by that income

## Fee summary

Campuses	U.S. applicants	International applicants
1	\$70	\$80
2	\$140	\$160
3	\$210	\$240
4	\$280	\$320
5	\$350	\$400
6	\$420	\$480
7	\$490	\$560
8	\$560	\$640

# UC Transfer Admission Guarantee (TAG) offered at 6 UC campuses

*\*you can TAG to 1 campus if you are eligible*

# Transfer Admission Planner

## UC TAP

UC TAP is an online tool to help prospective UC transfer students track and plan their course work

- The UC TAP tool is designed for use by students transferring from California community colleges to enter their course work as they complete it
- The planner helps students track their progress toward meeting UC's minimum requirements, and allows UC staff to communicate important information to prospective transfer students
- The UC TAG application is accessed through UC TAP

# Transfer Admission Guarantee (TAG)

**Six UC campuses offer guaranteed admission to students who meet specific requirements**

Davis Irvine Merced Riverside  
Santa Barbara Santa Cruz

- Requirements vary – refer to the TAG Matrix
- Students can submit a TAG application to only ONE campus
- The filing period for TAG is September 1-30
- *UC TAG is submitted through the UC TAP tool*

## UC TAG (cont'd)

- TAG is not offered at UC San Diego, UC Berkeley and UCLA
- UC TAG application is submitted September 1-30 through the UC TAP tool for Fall 2016 transfer
- You may only TAG to 1 campus
- TAG is a path to transferring to UC but if you are not eligible for TAG, you can still submit an undergraduate application in November without a TAG

**For more information  
about TAG please visit:**

**[http://www.elac.edu/currentstudents/studentservices/transfercenter/TAG\\_Info.htm](http://www.elac.edu/currentstudents/studentservices/transfercenter/TAG_Info.htm)**

**AND**

**[http://www.elac.edu/currentstudents/studentservices/transfercenter/docs/workshopmaterials/Fall\\_2015\\_TAG\\_Workshop.pdf](http://www.elac.edu/currentstudents/studentservices/transfercenter/docs/workshopmaterials/Fall_2015_TAG_Workshop.pdf)**

# UC's Definition of a California Community College (CCC) Applicant

The University of California defines a CCC transfer applicant as:

- A student who has completed at least 30 semester/45 quarter UC-transferable units (at the time of application) at one or more California community colleges;

and

- the last college the student attended in a regular session (fall/spring or fall/winter/spring) before admission to a UC campus is/was a California community college

# Preparing for UC Admission

1. Start with Math and English courses
2. Prepare for your major
3. Take general education courses
4. Keep in mind UC's minimum admission requirements

<http://admission.universityofcalifornia.edu/transfer/preparing-admission/index.html>

# 1. Start with Math and English Courses

- Why?
  - For example, if you place in Algebra II during assessment, but the lowest-level math class that meets the UC minimum requirements is College Algebra/Pre-calculus, you'll want to take Algebra II as soon as possible so you have time to take and PASS College Algebra/Pre-calculus before you transfer
- Please note, some UC campuses require that you complete English and Math by the end of fall term one year prior to enrolling at UC

<http://admission.universityofcalifornia.edu/transfer/preparing-admission/index.html>

## 2. Prepare for your major

- If you still haven't selected your major, the Career and Job Services office can help you explore majors
- Once you have an idea of what you want to major in, get to know the coursework for that major by looking in the course catalog of the UC campus you plan to apply to you can get a sense of the major's focus— do the courses sound interesting? If yes, you've found your UC major.
- Follow major preparation requirements both *required* and *recommended* (taking these courses makes you a more competitive applicant).

<http://admission.universityofcalifornia.edu/transfer/preparing-admission/index.html>

# 10 Most Popular UC Majors offer Transfer Pathways

- Anthropology
- Biochemistry
- Biology
- Cell biology
- Chemistry
- Economics
- Mathematics
- Molecular biology
- Physics
- Sociology
- \*Transfer Pathways, a single set of courses you can take to prepare for your major on any of the 9 UC undergraduate campuses, is available for these majors
  - Following a pathway does not guarantee admission but it gives you a clear roadmap to prepare for your major
  - For all other majors, review ASSIST to find campus-specific major preparation information
  - More Transfer Pathways will be added soon

# 3. Take general education classes

- General education requirements are designed to give you a broad background in various disciplines and can vary between UC campuses
- There are two ways to satisfy general education requirements:
  1. IGETC
  2. UC campus-specific requirements
- How do I select which course pattern to follow?
  - It depends on your major. Before you start working on general education courses, check what's recommended for your major and the campuses at this link:  
<http://admission.universityofcalifornia.edu/transfer/general-education-igetc/igetc/igetc-campus-guidance/index.html>
  - Meet with a counselor to update your Ed Plan

# What if I don't know what my major is yet or which campus to apply to?

If you know you want to transfer, but haven't decided on a particular UC campus or major, you can start by taking IGETC courses

IGETC is most helpful to students who want to keep their options open by applying to UCs and CSUs

## 4. Keep in mind UC's minimum admission requirements

- Meeting the minimum requirements for transfer admission in addition to your specific major and campus requirements is key
- Many of your major preparation and general education courses will count toward these requirements, but it's good to meet regularly with a counselor to make sure you're on track to transfer
- For example, if you're a STEM major, you'll be taking lots of science and math courses— but don't forget to take humanities and/or social sciences courses to fulfill UC minimum requirements

<http://admission.universityofcalifornia.edu/transfer/preparing-admission/index.html>

# Minimum Admission Requirements

- **To establish eligibility as a junior-level (upper division) transfer:**
  - Minimum of **60** UC-transferable semester (90 quarter) units
  - Earn a minimum **2.4 GPA** in UC-transferable courses
    - \*To be competitive for selection, students should achieve above the minimum GPA
    - A grade of D in a transferable course will count toward the number of transferable units you have completed, however, grades of D do not satisfy major or general education requirements, in most cases
  - Complete the required **7-course pattern\***
    - 2 English composition
    - 1 mathematical concepts & quantitative reasoning
    - 4 course from at least 2 of these areas: arts & humanities, social & behavioral sciences, physical & biological sciences
    - Grades of C or better in each course; pass grade is acceptable if equivalent to a C (each course must be at least 3 semester/4 quarter units)
    - \*Completion of the course pattern is required by end of spring term prior to fall admission.

# Research campus profiles of admitted transfer students from previous years to see how you compare...

- For example, this is the profile of admitted transfer students for Fall 2014 at UCLA

**UCLA** Undergraduate Admission

PROSPECTIVE STUDENTS | CURRENT APPLICANTS |

## PROFILE OF ADMITTED TRANSFER STUDENTS FALL 2014

When we review transfer applicants, we look at a [wide variety of factors](#), some more easily quantifiable than others. Beyond a specific cutoff value assigned to any of the factors we consider.

	California residents	out-of-state	international <sup>(1)</sup>	limited/FAP <sup>(2)</sup>	withdrawn <sup>(3)</sup>	total
applied	15,415	610	3,325	168	43	19,561
admitted	4,328	66	804	162	-	5,360
enrolled	2,651	36	482	157	-	3,326
admit rate	28.08%	10.82%	24.18%	96.43%	-	27.40%
enroll rate	61.25%	54.55%	59.95%	96.91%	-	62.05%
% of total applied	78.80%	3.12%	17.00%	0.86%	0.22%	100.00%

[http://www.admissions.ucla.edu/prospect/Adm\\_tr/Tr\\_Prof14.htm](http://www.admissions.ucla.edu/prospect/Adm_tr/Tr_Prof14.htm)

# You can go a step further and see the profiles of admitted students by program...

- For example, these are profiles of admitted transfer students for Fall 2014 in the following majors:

## College of Letters and Science

Letters and Science: A - B

major	# applied	% of all applied	# admitted	admit rate	% of all admitted	# enrolled	enroll rate	% of all enrolled	avg. GPA-applied	avg. GPA-admitted	avg. GPA-enrolled	avg. units-applied	avg. units-admitted	avg. units-enrolled

[http://www.admissions.ucla.edu/prospect/Adm\\_tr/Tr\\_Prof14\\_mjr.htm](http://www.admissions.ucla.edu/prospect/Adm_tr/Tr_Prof14_mjr.htm)

**Research admitted student profiles for every university you are considering, it is important to not only be eligible for admission, you also want to be competitive for admission selection.**

# Lower Division Units Maximum Limitation

- Students will be granted up to 70 semester/105 quarter units of credit for lower division coursework completed at any institution or any combination of institutions.
  - For lower division units beyond the maximum, subject credit for appropriate coursework taken in excess of this unit limitation will be granted and may be used to satisfy requirements.
- Units earned through: AP, IB, and/or A-Level examinations are not included in the limitation and do not put applicants at risk of being denied admission.
- Lower or upper division units earned at UC (Extension, summer, cross/concurrent, UC-EAP and regular academic year enrollment) are added to the maximum lower division transfer credit allowed and might put applicants at risk of being denied admission due to excessive units.

# HOW DO I FIGURE OUT WHICH UNITS ARE TRANSFERABLE?

# WEBSITE: ASSIST.ORG

- **Online information system that provides the most accurate and up-to-date information for California transfer students:**
  - Shows how course credits earned at one public California college or university can be applied when transferred to another
  - Explore majors available at University of California and CSU campuses
  - Is the official source of articulation for California's colleges and universities
- **Allows students to explore transferable coursework from the CCC to the UC using:**
  - Transferable Course Agreement (TCA)
  - CCC to UC Major Articulation (UC-CCC Course Articulation)

# Transferable Course Agreement (TCA)

On ASSIST website: [assist.org](http://assist.org)

- Identifies UC-transferable courses at each CCC
- First level of articulation between UC and CCC; all courses listed are transferable to **every** UC campus
- Individual UC campuses may, as appropriate, articulate courses to specific lower-division courses/graduation requirements

UC Transfer Course Agreement Santa Barbara City College (12-13)				
Course	Title	IGETC Semester Area	Units	UC Area
# INDICATES NEW COURSES OR CHANGES FOR 12-13				
----- English -----				
#+ ENG 110	Composition and Reading 1A		3	UC-E
#+ ENG 110GB	Composition and Reading 1A		3	UC-E
#+ ENG 110H	Composition and Reading, Honors	1A	3	UC-E
+ ENG 111	Critical Thinking and Composition Through Literature	1B	3	UC-E
+ ENG 111GB	Critical Thinking and Composition through Literature	1B	3	UC-E
+ ENG 111H	Critical Thinking and Composition through Literature, Honors	1B	3	UC-E
+ ENG 111HG	Critical Thinking and Composition through Literature, Honors	1B	3	UC-E
ENG 115	Advanced Composition		3	UC-E
ENG 115H	Advanced Composition, Honors		4	UC-E
o ENG 120	College Research Skills		1	
+ ENG 173	Screenwriting I		3	
	Same as: FS 173			
+ ENG 221	Survey of British Literature	3B	3	UC-H
+ ENG 221GB	Survey of British Literature	3B	3	UC-H
+ ENG 222	Survey of British Literature	3B	3	UC-H

# CCC to UC Major Articulation

- The CCC-UC Major Articulation Agreements offer students guidance in preparing for specific majors at each UC campus
- Second level of articulation between UC and CCC
- Indicates courses that fulfill major prep; alerts if IGETC is acceptable; explains use of AP/IB credit toward subject requirements, etc.

Articulation Agreement by Major  
Effective During the 12-13 Academic Year

To: UC Santa Barbara 12-13 General Catalog		From: Santa Barbara City College Quarter 12-13 General Catalog
		Semester

---

-----

Admission selection criteria for the major:  
To be admitted to the pre-major, all transfer students must have completed the following:  
1 year sequence of General Chemistry with laboratory, with no individual grade less than "C".  
1 complete sequence (2-3 terms) of major-applicable General Biology with laboratory, with no individual grade less than "C".  
A cumulative GPA of 2.7 or better in the required courses listed above.  
For students to graduate within two years of transferring we strongly recommend the completion of one year of organic chemistry with laboratory, one year of general physics with laboratory, and one year of calculus or calculus with statistics. Any of these courses completed with a grade lower than "C" might not satisfy course prerequisites at UCSB.

Pre-major information:  
Students are admitted initially to the pre-major. Admission to the full major is contingent upon achievement of a grade point average of 2.00 or better in pertinent courses completed at the University of California. Because the criteria are subject to annual review and revision, interested students should consult the department directly to obtain current information regarding specific additional criteria for admission to the full major. Admission to the pre-major does not guarantee admission to full major status.

---

For additional information about this major, please visit the department's website: [www.lifesci.ucsb.edu](http://www.lifesci.ucsb.edu)

# The Review Begins

- Evaluators move term by term through the applicant's self-reported courses and grades to determine whether the courses are UC-transferable and to derive a cumulative GPA
- Evaluators note courses, grades, repeats and and gaps in education
- Evaluators use Comprehensive Review while reviewing entire application

# Gaps In Education

Name/Location	School Code	Type	Begin/End Dates	Language of Instruction
Fitzgerald HS Santa Maria, CA	989340	Pub HS	08/2008- 06/2011	English
<b>**Potential Gap in Education**</b>				
Santa Barbara CC Santa Barbara, CA	004690	CCC/2yr	08/2012- 05/2014	English

- UC evaluators review the list of institutions the student attended, paying special attention to begin and end dates
- Any gaps in education prompt the evaluators to look for an explanation in the application
- If you have gaps in your education it is very important to explain the gaps under “Additional Information”

# Examples of Non-Transferable Coursework

2009 Spring

SANTA BARBARA CITY COLLEGE(S) - 4 course(s)

Src:	Dept:	CR#:	Course Title:	Un:	Gr:	GP:	MGP:	Exclusion/Reason	UC Area:	C:	L:	R:
PW	AJ	120	Criminal Justice Report Writing	3	B	3.00		Non Transferable			N

# Transferability and Limitations

- Repeats

Repeats for “D” and “F” grades are unlimited; however, credit will be awarded for the first attempt completed with a grade of “C” or better; no credit for duplication of AP/IB credit

- CR, NCR, W grades

These grades are neutral and have no effect on GPA or credit awarded

- Accurate reporting

Do not self-report courses/grades from memory. Misreporting or omitting information from the academic record could jeopardize your admission to UC

# What is evaluated in Comprehensive Review?

- Completion of a specified pattern or number of courses that meet breadth or general education requirements
- Completion of a specified pattern or number of courses that provide continuity with upper division courses in the student's major
- Your GPA in all transferrable courses
- Participation in academically selective honors courses or programs

<http://admission.universityofcalifornia.edu/transfer/reviewed/index.html>

# Comprehensive Review of Your Application (cont'd)

- Special talents, achievements and awards; special skills; leadership; community service; student government; demonstrated promise for contributing to intellectual vitality
- Completion of special projects in the context of your college curriculum or activities
- Academic accomplishments in light of your life experiences and special circumstances (i.e. first-generation to attend college, low family income, etc.)
- Location of the college and your residence
- Completion of AA-T or AS-T (this is not required for eligibility of admission)

<http://admission.universityofcalifornia.edu/transfer/reviewed/index.html>

# Purpose of the Personal Statement

- To gain a better understanding of the student's background; their interest in and purpose of their intended major
- UC campuses use the personal statement as an admissions factor or for scholarship consideration

# The Personal Statement

- 2 Prompts – applicant must answer both prompts
- 1000 word total or less
- View as a personal interview on paper
- Compose responses outside of the application and request feedback from teachers, counselors, parents and/or friends
- Paste your responses in the text box– it is recommended that you start your personal statement in another document for editing

# The Personal Statement (cont'd)

- **Statement 1:** What is your intended major? Discuss how your interest in the subject developed and describe any experiences you have had in the field – such as volunteer work, internships and employment, participation in students organizations and activities – and what you have gained from your involvement.
- **Statement 2:** Tell us about a personal quality, talent, accomplishment, contribution or experience that is important to you. What about this quality or accomplishment makes you proud, and how does it relate to the person you are?

# Additional Comments

- **Use the spaces provided to describe a situation (personal or academic) that needs further explanation and not fully captured elsewhere in the application**
  - Gaps in education
  - Grades
  - Special circumstances
- **This is not meant to be a continuation of the personal statement**

# Waitlist & Appeals

- The waitlist process is used to manage new student enrollment
- A waitlist offer is an acknowledgement of an applicant's strength, it is not a guarantee of admission
- Waitlisted students **can** accept waitlist offers to more than one UC campus while you are waiting for a decision
- Students **cannot** appeal to be placed on the waitlist

# Resources
