Fall semesters only: TT 315, TT 330, TT 380

Spring semesters only: TT 300, TT 311, TT 370

Fall EVEN semesters: TT 305, TT 313

Program Description

The Certificate of Achievement in Technical Theatre and Entertainment Technology provides students with the foundational training and technical skills for entry-level positions in the following entertainment industry occupations: theatrical stagehand, lighting electrician, audio technician, programmer, rigger, set carpenter, scenic artist, art director, set dresser, property master, and production assistant. Our production process replicates a professional theatre environment in a contemporary facility that includes three performance venues equipped with state-of-the-art technology. Students receive specialized classroom instruction which is reinforced with rigorous hands-on training in technical theatre practicums. Certificate students wishing to pursue careers in technical direction or theatrical design (scenery, lighting, sound) are encouraged to transfer to a four-year institution for additional training in their specific area of interest.

Career and Transfer Opportunities
