**ELAC's** new Weekend College Experience (WCE) provides students with an opportunity to complete within two years the full range of classes necessary to meet the IGETC, UC/UCLA, and AA graduation requirements by taking only two Saturday face-to-face classes and two online classes each semester.

You might also use the WCE to become a flexible scheduler by mixing WCE classes with regular weekday and evening classes; attending part time or full time; taking classes with summer and winter intersessions as well as in the fall and spring semesters; and enjoying traditional face-to-face classes in state-of-the-art classrooms and/or fully online or blended hybrid classes mixed to suit your own needs. Sign up for all four classes in one of the two tracks offered below for the fall 2017 semester, or mix and match to meet your own unique scheduling needs.
