This course allows students to pursue directed study in Electronics on a contract basis under the direction of a supervising instructor. It covers fundamentals of sketching, manual drafting, descriptive geometry, and Computer Aided Drafting. Required course for CAD and CADD certificates. Required of most Engineering, Engineering Technology, Production Technology, and USC. Highly recommended for all Engineering and Technology students as a technical elective preparatory course for Engineering and Technology classes requiring written reports and computer programming.

Note: Required of many students transferring to CSULA, Cal Poly Pomona, and USC. Highly recommended for all Engineering and Technology students as a technical elective preparatory course for Engineering and Technology classes requiring written reports and computer programming.

Note: Required of all Engineering, Engineering Technology, Production Technology, and USC. Highly recommended for all Engineering and Technology students as a technical elective preparatory course for Engineering and Technology classes requiring written reports and computer programming.

Note: Consist of lecture, hands-on circuit design and LabVIEW. Offered Spring semester only.

ENGLISH TUTORING
The Writing Center, located in F5-104, offers tutoring, word processing, and Internet access for students in all disciplines. Students may improve their writing and thinking skills through one-on-one tutoring sessions, group workshops, and grammar assistance programs. Walk-in and scheduled appointments are available; students are also welcome to our Conversation Lab where they can improve their listening and speaking skills in a relaxed environment.

The Writing Center hours are:
Monday – Wednesday 7:00 a.m. – 9:00 p.m.
Thursday 7:00 a.m. – 7:00 p.m.
Friday & Saturday 10:00 a.m. – 4:00 p.m.

After graduating from Garfield High School, Reina went to UC Santa Cruz and realized that she wasn’t ready for a four year university. She decided to save money, live at home and enroll in the Honors Program at ELAC to prepare for bachelor’s and master’s degrees. She has been accepted to UC Riverside and is planning to major in English literature with the career goal of becoming a teacher.

“I love ELAC because it has shaped me and helped me figure out what I want as a career. I thought I knew so much after graduating from high school only to find that I had a lot to learn about people and other cultures. I am a student worker in the Academic Affairs office and have experienced how the college operates. I respect the ELAC administrators because I see they try to do everything possible to help the most students, even when they have to make unpopular decisions.”
