After graduating from Garfield High School, Reina went to UC Santa Cruz and realized that she wasn’t ready for a four year university. She decided to save money, live at home and enroll in the Honors Program at ELAC to prepare for bachelor’s and master’s degrees. She has been accepted to UC Riverside and is planning to major in English literature with the career goal of becoming a teacher.

"I love ELAC because it has shaped me and helped me figure out what I want as a career. I thought I knew so much after graduating from high school only to find that I had a lot to learn about people and other cultures. I am a student worker in the Academic Affairs office and have experienced how the college operates. I respect the ELAC administrators because I see they try to do everything possible to help the most students, even when they have to make unpopular decisions."
