Lifelong Fitness Laboratory
The East Los Angeles College Life Long Fitness Laboratory is located in the Men’s gymnasium – C1-125. This is an open entry/open exist laboratory physical fitness exercise class designed to develop and encourage positive attitudes and habits with regard to cardiovascular efficiency, body composition, muscular strength and endurance, and flexibility.

Each student will be assessed in the areas of body composition, cardiovascular efficiency, muscular strength and endurance, and flexibility. Fitness activity will primarily utilize exercise equipment organized into aerobic circuits with additional activity prescribed in an aerobics machine arena, body parts weight training area, and flexibility area.

Students must enroll in one of the sections listed below and report to the weight room (during the first week of the semester) for orientation on the days and time indicated below. You must report in workout attire.
