Tessa began playing soccer when she was five and now it is her career as well as her passion. She plays as a defensive center for LA Futbol Club, the local premier women’s soccer league. A year ago she began coaching the ELAC Women’s Soccer team and is intent on building their skills and confidence on the playing field. High school girls are invited to play at the college and Tessa recruits new players by emphasizing ELAC’s great facilities, coaching staff and connections to university recruiters—and the quality educations players receive at ELAC.

“My first year at ELAC was a challenge and I am looking forward to next season because some of our strong players are returning. The team was very ‘coachable’. They are passionate about improving and are very enthusiastic and eager to learn and grow. My goal is to help them graduate within two years and move on to a university so they are eligible to play for another two years.”

ARE YOU RECEIVING TANF? (FORMERLY KNOWN AS AFDC)

The GAIN/CalWORKs office provides the following services to TANF recipients:

- Completion of Self-Initiated Program (SIP) Verification Forms, Vocational Contracts and Progress Reports
- Assist in meeting the 32-35 hour requirement through CalWORKs, work activity, lab time, internship, and workshops
- Academic and personal counseling
- Case Management services and referrals
- Assistance with books, supplies, transportation and child care
- On and off campus workstudy positions
- Resume and interview preparation assistance
- Job and Personal Development Workshops
- Job listing boards and internship opportunities
- Classes in GED (General Educational Development), ESL (English as a second Language) and ABE (Adult Basic Education)

COME VISIT US!
We are located in the CalWORKs Building (Stadium Parking lot). Schedule an appointment with our Case manager and let us guide you through the CalWORKs process.

ITV/The Weekend College classes allow students to complete general education classes in a focused, eight-week format. Students may attend classes on any one of four campuses: City [C] and Southwest [SW] Colleges on Saturdays and Valley [V] and Pierce [P] Colleges on Sundays. The first college listed is AM only 9:00-12:00 Noon. The second college listed is PM only 1:30-4:30 PM. Students attend only one class meeting each weekend and may attend at any location.

The classes are taught by the same instructor at each campus. The classes are taught in a highly effective “blended format” combining the weekend class meetings with video lessons broadcast on cable television in the City of Los Angeles. The video lessons are also available in broadband, on DVD and in the College Learning Resources Centers on campus. Each class also has an online component creating a dynamic learning environment for all students.

Students can enroll online on the Student Information System by selecting ITV as the campus. Students are advised to consult with a College Counselor when planning their Associate Degree or transfer program. For questions or registration assistance call 818/833-3595. Financial aid is available for qualified students, fee waivers also apply to these classes. Transcripts are issued by LA Mission College. Due to the state budget, classes will not be offered in the winter term.

The PACE Program consists of two eight-week sessions per semester. Classes are held one weeknight plus one Saturday (am or pm) per week. Saturday classes are scheduled from 8AM to 6PM at the ELAC Campus. 5 unit classes are held 2 weeknights plus one Saturday per week. Students can take up to two courses for each eight week session and can earn up to thirteen units each semester. All Saturday classes are held at the main campus. Some weeknight classes are held offsite, please see schedule for detail.

PACE is no longer offering bridge classes. PACE is no longer accepting new students.

Current PACE students should contact the PACE office at (323)265-8603 or check the PACE webpage for priority registration information. PACE students without an Education Plan, contact the PACE Office to schedule an appointment with a counselor.

General ELAC students (Non-PACE) may register for any open seats through the ELAC Admissions Office or through the ELAC online registration process starting January 24, 2011. Non-PACE students do not need to see the PACE personnel regarding registration.

ELAC Athletics offer a comprehensive selection of sports for both men and women designed to enhance collegiate education and promote and develop educational leadership, physical wellness, sports and participation, recreational pursuits and athletic excellence through a competitive intercollegiate program.

Excellent coaches, world-class facilities, professional trainers, academic support for student athletes, travel, and enhanced scholarship and transfer opportunities are great reasons to participate in ELAC athletic programs. Are you interested in competing in intercollegiate athletics? Contact ELAC Athletic Director Al Cone at 323.265.8913 for immediate information. Plus, our athletic competitions are great entertainment! We invite all students and friends to cheer your favorite team to victory, console them when defeated, enjoy collegiate spirit and celebrate our marching band and pep squads.

To access the ELAC Athletics program, consult www.elac.edu and click on “Athletics” at the top of the page. All the latest information on how to apply to participate in a sport, contact coaches, review exciting photographs of ELAC teams in action, game schedules, and even find universities where graduated athletes are playing is available.

BASIC SKILLS (MATHEMATICS)

Requirements: Completion of 6th grade or above upon entering the program.

BASIC SKILLS 29CE 0.00 units
Algebra 1
This course includes the continued study of algebraic concepts and methods including expressions, equations, inequalities, and matrices. It also includes the use of tables and graphs as tools to interpret the content. The operations on expressions, equations, inequalities and matrices are studied with an emphasis on the power of mathematical abstraction and symbolism.
8:00am to 12:05pm MTWTHF STAFF TBA
(7-week classes – start date: TBA)

BASIC SKILLS 30CE 0.00 units
Geometry
This course includes the study of two and three dimensions to develop geometric skills and concepts and the ability to construct formal logical arguments in a geometric setting. It includes the study of concepts such as: transformations, congruence, and similarity. The course aims to interpret and use the content to solve real life problems. All the above is studied for the development of understanding of an axiomatic system through the study of traditional problems, investigations, and proofs.
8:00am to 12:05pm MTWTHF STAFF TBA
(7-week classes – start date: TBA)

BASIC SKILLS 31CE 0.00 units
Algebra 2
This course reviews and expands the Algebra I curriculum with an emphasis on abstract thinking skills, the concept of function, and the algebraic solution of problems in various content areas through the study of systems of equations, logarithmic and exponential functions, the binomial theorem, complex numbers, and other topics. Calculators are used to aid in the solution of problems and to deepen the understanding of the concepts.
8:00am to 12:05pm MTWTHF STAFF TBA
(7-week classes – start date: TBA)

BASIC SKILLS 32CE 0.00 units
Trigonometry/Pre-Calculus Preparation
This course combines the techniques of the Algebra and Geometry the students have previously studied. The trigonometry functions studied are defined geometrically rather than in terms of algebraic equations. The course emphasizes the analysis and conceptual understanding of polynomial, rational, radical, logarithmic, exponential, and trigonometric functions in preparation for the study of Calculus.

THE HONORS PROGRAM OFFERS YOU:

- Guaranteed priority consideration for admission to UCLA, UC Riverside, UC Santa Cruz, UC Irvine, Occidental College, Pitzer College, Pomona College, Chapman University, Whitman College, Loyola Marymount University, Cal Poly Pomona and Mills College.
- Academically enriched classes, stressing critical thinking and written expression.
- Honors designation on your transcript for each completed Honors course.
- Increased student-instructor interaction, and more frequent association with other academically motivated, transfer-oriented students.
- Easy registration for Honors courses, along with special counseling and mentoring services.
- UCLA library card, field trips, research conferences, and cultural events.

ELIGIBILITY FOR THE HONORS PROGRAM

- Continuing Students – A cumulative “B” average (3.0 GPA), eligibility for or completion of English 101, and completion of 12 transferable units.
- New Students – A cumulative “B” average (3.0 GPA) in high school and eligibility for English 101

REQUIREMENTS FOR COMPLETING THE HONORS PROGRAM

- Enrollment in 6 or more transferable units per semester, maintenance of a 3.0 cumulative GPA and a 3.0 GPA in Honors courses.
- Completion of six Honors courses with a 3.0 GPA for certification upon transfer.
- Honors credit is also given for up to two advanced science and/or mathematics courses taken from Mathematics 261, 262, 263, 270, 275; Physics 1, 2, 3, 4; Chemistry 101, 102, 201, 211, 221; Biology 6, 7, and Microbiology 1.

The Adelante First Year Experience is committed to the educational success of students. Adelante is a comprehensive program involving student services, linked courses, a stimulating learning environment, and committed faculty which together will provide all Adelante first year students with the very best opportunities to succeed in transferring to a four-year university.

HIGHLIGHTS
- Priority enrollment
- Adelante counselor
- Accurate information on the transfer process
- Expedite the transfer process
- Make friends from day-one at college
- Immediate access to financial aid counseling
- Smaller classes
- Inspired professors that make courses interesting
- Coaches, how-to-study classes and study groups that help you succeed
- Visit universities and get advice on how to apply

REQUIREMENTS
- First-year college students
- Commitment to the Adelante Program for one year
- Participation in Adelante activities and events
- Enroll in Adelante courses, all courses are held at the main campus
- Qualify for Math 115 or 125, or English 28 or 101
