Five week winter intersession classes begin on
Monday, January 3 and end
Friday, February 4, 2011
Financial aid is available to help you with the cost of tuition, books and fees. Apply for financial aid as soon as you enroll at ELAC.

You may qualify for grants, scholarships, fee waivers and low-interest loans. Visit with a friendly financial aid counselor to see if you qualify even if you are employed, independent and living apart from your parents or unemployed. Ask for help and advice and don’t let finances stop you from attending college.

Financial Aid counselors are located in E1-135 (after mid-November) or visit our website at www.elac.edu/financialaid
It's easy to enroll

TEST TO FIND YOUR ENGLISH AND MATH LEVELS
Assess your basic math, reading and English skills before selecting your classes. Counselors provide a college orientation and will help you plan your schedule and learn about financial aid and other college programs. The testing center is located in E1-183 (after mid-November.)

SELECT YOUR CLASSES
Select your classes for the intersession by using this class listing. Check the college catalog on the ELAC website to view specific information on courses and click on How to Enroll Online. Pay tuition fees at the Fiscal Office located in E1-135 (after mid-November.)

This online course explores the concepts of logistics in the nontraditional office setting. The emphasis is on state-of-the-art logistics technologies, procedures, and terminology relevant to the mobile workforce, worksite environment, and the "virtual office" environment. Topics include handheld devices used in inventory and tracking, GIS (Geographic Information Systems) used in transportation, and a survey of the logistics/warehousing industry as well as job opportunities and careers.

Enrolling students are expected to have access to a PC with Internet and email capabilities. For students without a home computer, the computer lab located at the main campus in E7-418 is available during scheduled hours. Orientation sessions should be attended by enrolled students or students wanting to add the course. The orientation will provide information about the course, how it will be conducted, and how to obtain an email account (if needed). Students are advised to attend ONE of the orientation sessions listed below:
