Rebecca majored in chemistry and biology while attending ELAC on the way to her life-long goal to become a doctor. She continued on to UCLA, graduating with her BS degree in molecular and cell developmental biology. She was accepted to the UCLA Charles Drew Medical Program and has focused her career goal on community medicine specializing in women’s health. While at ELAC, she served as ASO President and credits learning leadership skills as an important asset for succeeding in medical school.

“Many ELAC professors and activities convinced me that I could go into medicine. Dr. Olsen and Dr. Rivera inspired me to continue studying. I served two MESA-sponsored summer research internships at California State University, Fullerton, and spent six weeks at the UCLA Summer Medical and Dental Education Program. I not only learned how to study, but also realized I would be able to transfer to a university. I presented a research paper at the American Chemical Society’s national conference in Salt Lake City—again as a MESA student. Not only did ELAC nurture my academic skills, but my experience there gave me a passion for giving back to my community.”

MATRICULATION PROCESS
STUDENT SUCCESS AND SUPPORT PROGRAM
Senate Bill 1456 revised and renamed the Matriculation Act of 1986 as the Seymour-Campbell Student Success Act of 2012. Signed by Governor Brown on September 27, 2012, the program began on January 1, 2013 and will be implemented through stages over a five-year period. The Student Success and Support Program supports the transition of new students into the college by providing services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

Effective Fall 2014, based on student responses to the East Los Angeles College application for admission, students will be identified as matriculating or non-matriculating. Students identified as matriculating are referred to core matriculation services: assessment placement, orientation, and counseling. Students must complete the assessment placement, orientation, and counseling (abbreviated Student Educational Plan) prior to their priority registration date and time. Abbreviated Student Educational Plans (SEPs) are provided during the counselor led new student in-person orientations. After registration and sometime during the semester, a comprehensive Student Educational Plan must be completed within a reasonable time period by making an appointment to meet with a counselor. Non-matriculating students are exempt from participating in the core matriculation services, but are advised to access these services if they plan to pursue a degree or certificate.

LOSS OF ENROLLMENT PRIORITY
Continuing students would lose enrollment priority if they earned more than 100 units (not including non-degree applicable basic skills courses) or are on academic or progress probation for two consecutive terms.

Referrals to students are made to both on and off campus services when appropriate.

ATTENDANCE POLICIES

REGULAR ATTENDANCE
The student is expected to attend every meeting of all classes for which he or she is registered. Attending a class without being registered is contrary to the Los Angeles Community College District rules and cannot be used as the basis for a petition to add a class. Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class forfeit their right to a place in the class.
Mitigating circumstances may be considered by the instructor. Whenever absence “in hours” exceed the number of hours the class meets per week, the student may be excluded from class by the instructor.
1. If a student stops attending a class, it is the student’s responsibility to officially drop the class.
2. It is the student’s responsibility to consult with his or her instructor regarding any absences that could result in exclusion.
3. Concurrent enrollment in more than one section of the same course during a semester is not permitted. Violation of this regulation will result in exclusion from class and denial of course credit in both courses.

TARDIES
Three tardies will be considered the equivalent of one hour of class absence. Continued tardies may result in exclusion.

PREREQUISITE, COREQUISITE, AND ADVISORY DEFINITIONS

PREREQUISITE
A prerequisite is a measure of readiness for a course or program that a student is REQUIRED to meet as a condition of enrolling in a course or program. A prerequisite may be a course, activity, audition, test or similar measure of readiness. Prerequisites in many disciplines are now checked by computer and are strictly enforced.

COREQUISITE
A corequisite is a requirement that MUST be satisfied at the time a particular course is taken; usually a corequisite is concurrent enrollment in another course, but may, in certain situations, be completed at an earlier time.

ADVISORY
An advisory is a measure of readiness for a course or program that is RECOMMENDED for students. May be a course, activity, audition, test, or similar measure of readiness.

Registration Limitation
All students need to demonstrate they meet the prerequisite or corequisite requirement in order to register for the course. If a student meets the requirement through satisfactory completion of a course at East Los Angeles College or through Assessment placement, you will automatically be cleared for course registration. If you meet the course prerequisite or corequisite through other methods, you must submit a “Student Prerequisite or Corequisite Completion Petition” to Admissions by the deadline date, with supporting documents.

STUDENT PREREQUISITE OR COREQUISITE POLICIES
It is the student’s responsibility to know and to meet all course prerequisites. These requirements are indicated following the course name and number. If prerequisites have been met at another college, students must file a “Prerequisite Completion Petition” with an unofficial transcript or assessment results.
Students who wish to challenge prerequisites or corequisites must file a “Prerequisite or Corequisite Challenge Petition” by the deadline date with documentation sufficient to support the challenge. In keeping with requirements and provisions of Section 55201(f) of Title 5 and Section 1B 1-3 of the Los Angeles Community College District Model Policy, East Los Angeles College has an established procedure by which any student who provides satisfactory evidence, may seek entry into a course according to the college’s challenge process.

1. Student has the appropriate documented knowledge or experience or ability to suc-
cceed in the course for which the prerequi-
site or corequisite is specified.

2. Requirement (prerequisite or corequisite) was not established by adopted L.A.C.C. distric
process, or was established in vio-
lation of Title 5.

3. Requirement is unlawfully discriminating or applied in an unlawful discriminatory man-
er.

4. Student will be delayed in completing my educational objectives by a semester or more in ful-
filling the requirements for a degree or certificate because the prerequi-
site course has not been made reasonably available.

a. Student has specified an educational goal after having completed 15 units of college work with a GPA of C or better, have filed an educational plan 90 days after completing the said 15 units, and

b. Alternate course to fulfill degree or certifi-
cate requirements are not available.

5. Student has the appropriate documenta-
tion to show that they do not pose a health or safety threat to others or myself in course for which a health or safety pre-
requisite is specified.

6. Student will be delayed in completing my educational goals by a semester or more in ful-
filling the requirements for a degree or certificate because course enrollment was limited to students judged more qual-
ified in intercollegiate competition, honors, or public performance or enrollment was limited to a particular cohort of students.

Student filed an Educational Plan and speci-
died an educational goal after having completed 15 units of college work with Satisfactory Academic Progress.

STUDENT PREREQUISITE OR
COREQUISITE PROCESS

1. A student must file proof of completion or challenge a course prerequisite or coreq-
usite with either the “Prerequisite Completion Petition” or “Prerequisite or Corequisite Challenge Petition” form. These forms can be obtained from the Office of Admission and Counseling (E1 Building) or on-line at www.elac.edu.

2. The completed petition and any and all appropriate documentation (e.g., unoffi-
cial transcripts, verifications of experience, etc.) must be filed no later than 10 working days before a semester or session begins with the office of Admissions.

3. The petition will be processed within 10 working days of its receipt, and the stu-
dent will be notified accordingly.

4. If the petition is found to be justified, and no space is available in the course at the time the petition is filed, the student shall be permitted to enroll for the next term. Enrollment will be permitted only if space is available when the student registers for the subsequent semester, or summer session.

5. In the event the petition is denied, the stu-
dent may appeal the decision on the com-
pletion petition to the Dean of Admissions and the challenge petition to the Dean of Academic Affairs (G1 207).

6. Notification of the appeal decision will be sent to the student within five working days after its receipt by the Office of Ad-
missions or Academic Affairs.

UNIT LOAD

The normal class load for full-time students in the Fall or Spring semester is from 12 to 18 units per semester. Students who will be employed while attending college should re-
duce their programs accordingly. A college program of 15 units is equivalent to at least a 50 hour work week for most students. A stu-
dent who desires to take more than 18 units must obtain approval from a counselor in E1 Building.

cifically exempted by statute, every course, course section or class, the average dai-
ly attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully opened to enrollment and participation by any person who has been admitted to the college(s) and who meets such prerequisites as may be estab-
lished pursuant to Chapter 2, Division 2, Part IV, Title 5 of the California Code of Regulations, commencing with Section 51820 (Adopted by Board action April 6, 1977).

CLASSES SUBJECT TO CHANGE

The Los Angeles Community College District and East Los Angeles College have made every reasonable effort to determine that every-
thing stated in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administra-
tion of the Los Angeles Community College District or East Los Angeles College for rea-
sions related to student enrollment, level of fi-
nancial support, or for any other reason, at the discretion of the District and the College. The District and the College further reserve the right to add, amend, or repeal any of their rules, regulations, policies, and procedures.

PRIVACY ACT/STUDENTS’ RIGHTS

Congress has provided in the “Family Edu-
cation Rights and Privacy Act” that students have certain rights.

• Right to inspect and review their education-
al records.

• Right to request amendment of records a students believes to be inaccurate or mislead-
ing.

• Right to consent to disclosure of person-
ally identifiable information from educa-
tion records by an educational agency or institution.

• Education records and directory informa-
tion (address, telephone number) may be disclosed to school officials (administrator, faculty and staff) without prior consent, un-
less a student wishes to refuse the release of directory information.

• Under federal law, the military is entitled to receive directory information for recruiting purposes. A student can refuse the release of directory information by completing a “Release of Directory Information” form and submitting it to the Admissions Office.

• The Los Angeles Community College Dis-
trict is committed to protecting student pri-
vacy and currently uses collection and stor-
age systems to eliminate the use of social security numbers as the primary method of student identification.
GRADING AND ACADEMIC STANDARDS

PASS/NO-PASS
The grade of P Pass will be given if the student’s performance in class is equal to a “C” grade or better. The grade of “NP” (no credit) will be given if the performance in class is equal to a “D” or “FAIL” grade. Students may petition only those classes listed in the Catalog on a Pass/No Pass basis by the deadline date (see class schedule calendar).

Once a student’s petition to take a course on a Pass/No Pass has been approved, the student is not permitted to receive a letter grade in the approved course. The symbol P or NP must appear on the student’s permanent transcript for that course. “Pass/No Pass” and “Credit by Examination” courses are listed in the College Catalog.

CREDIT BY EXAMINATION
The College President may designate courses in the College Catalog which a student may challenge if the student meets the following requirements:

- a. Currently enrolled with a minimum cumulative grade-point average of 2.0.
- b. Completed 12 units of coursework within the Los Angeles Community College District.
- c. Not currently enrolled in, or have completed, a more advanced course in that discipline.
- d. The maximum number of units for which a student may petition for credit by examination at the College shall be 15 units.

GRADE REQUEST PROCEDURES
Students will be able to receive information on their grades through the Student Information System on-line. If you need a copy of your grades, you can obtain a one semester grade printout from the internet. This print-out is NOT a Transcript or a Verification of Enrollment. If you need an Official Transcript or a Verification of Enrollment, you may order them from the Admissions Office.

INCOMPLETE
An “INC” (incomplete) must be made up by the deadline established by the instructor. The deadline may not be any later than one year following the end of the term in which it was assigned.

SCHOLARSHIP STANDARDS
A student is expected to maintain at least a “C” average (2.0 grade point average on a 4.0 scale).

SCHOLASTIC PROBATION AND DISMISSAL
Students shall be placed on academic probation, if after attempting a minimum of 12 units, any of the following occur:

- a. Low Grade Point Average. The student has a GPA less than a “C” (2.0).
- b. Transfer Student. The student has transferred with a GPA less than “C” (2.0).
- c. Progress Probation. When the percentage of all units in which grades of “W” (withdrawal), “INC” (incomplete), and “NP” (no credit) reaches or exceeds 50%.

A student on academic probation shall be DISMISSED from the college if:

- a. The cumulative GPA is less than 2.0 in all units attempted in two consecutive semesters.
- b. If the cumulative percentage of “W”, “INC”, and “NP” grades is 50% or greater in two consecutive semesters. Dismissal from one college in the Los Angeles Community College District shall disqualify a student from admission to any of the other eight colleges within the District.

ACADEMIC RENEWAL
Students who have a 2.5 grade point average in their last 15 units or 2.0 in their last 30 units completed at any accredited college or university may petition to have up to 18 units of “D” or “F” grades removed from cumulative grade point average consideration provided such course work was completed two years prior to effective date of petition. The grade point average will be based on the most recently earned grades for the first 15 units of repeated work. After these first 15 units the grade point average will be based on all grades assigned and on all attempted units.

Note: Graduation honors and awards are based on full cumulative grade point average.

DEAN’S HONOR LIST
Students with outstanding scholastic achievement are given public recognition through the Dean’s Honor List. Consideration is given to all students who have completed no more than 70 units and is awarded by semester. To qualify, a student must earn a grade point average of 3.5 or better in 12 or more units in degree applicable courses, excluding an “INC”, “P”, and “RD’s”. Part-time students must earn a grade point average of 3.5 or better in 9 or more units degree applicable courses, excluding an “INC”, “P”, and “RD’s” in courses leading to a degree.

REPETITION OF COURSES
Academic credit courses taken at East Los Angeles College or another campus within the Los Angeles Community College District in which a final grade of D, F, or NP was received may be repeated.

Activity courses, i.e., Art, P.E., Musical Theatre, may be repeated three (3) times. Consult a counselor for the latest restricted activity enrollment list.

Students will not receive credit for courses that are illegally repeated.
