“My passion is encouraging student athletes to win in life as well as sports. Our job is to use community college competitive sports to develop student-athletes who can be successful scholars, productive citizens and qualify for athletic scholarships when they transfer to a university. Competing in a sport is a microcosm of succeeding in daily life. Effort, practice, teamwork and knowledge make a successful athlete as well as a successful citizen because they learn how to handle failure as well as success. I am lucky to work with talented coaches and teachers who have a profound commitment to our students.”

Al Cone has been ELAC Athletic Director for the past decade. He is a native East Angelino and attended Los Angeles Valley College where he played baseball, receiving honors and co-captaining the LAVC team as a sophomore. He earned bachelor’s and master’s degrees in Kinesiology. After a successful high school teaching and coaching career, he joined ELAC in 1989 and soon became the Head Baseball Coach. ELAC baseball teams flourished under his leadership. The college sponsors 15 athletic teams, seven for men and eight for women. ELAC boasts a world-class football and track facility, a superior swim stadium and an excellent women’s softball field.
CalWORKS is here to help you achieve self-sufficiency!

ARE YOU RECEIVING TANF? (FORMERLY KNOWN AS AFDC)

The GAIN/CalWORKs office provides the following services to TANF recipients:

• Completion of Self-Initiated Program (SIP) Verification Forms, Vocational Contracts and Progress Reports
• Assist in meeting the 32-35 hour requirement through CalWORKs, work activity, lab time, internship, and workshops
• Academic and personal counseling
• Case Management services and referrals
• Assistance with books, supplies, transportation and child care
• On and off campus workstudy positions
• Resume and interview preparation assistance
• Job and Personal Development Workshops
• Job listing boards and internship opportunities
• Classes in GED (General Educational Development), ESL (English as a second Language) and ABE (Adult Basic Education)

COME VISIT US!

We are located in the CalWORKs Building (Stadium Parking lot). Schedule an appointment with our Case manager and let us guide you through the CalWORKs process.

OFFICE HOURS:
Monday – Thursday
7:30 a.m. – 5:00 p.m.
Friday
7:30 a.m. – 4:00 p.m.
(323) 265-8998

SOUTH GATE OFFICE HOURS:
Tuesday, 8:00 a.m. – 3:30 p.m.
LOCATION: A5
8 WEEK CLASSES All classes are approved for transfer to the UCs and CSUs and meet graduation requirements at all LACCD Colleges. Transcripts are issued by L.A. Mission College.

Attend only one class meeting at any location. Classes are taught by the same instructor at each campus. All classes use a blended format combining weekend class meetings with video lessons and online activities.

Use the Student Information System to enroll, select ITV as the campus. For questions or assistance with registration, call 818/833-3595. Students are advised to speak with a College Counselor when planning their academic program. Financial aid is available for qualified students; fee waivers also apply to these classes.

For classroom locations, go to www.lamission.edu/ITV

Saturdays at Southwest & City Colleges • Sundays at Pierce & Valley Colleges • First college is AM / Second is PM

MESA STUDENT BENEFITS

- **Academic Advisement.** The MESA program has its own academic advisor to help students develop their educational plans and provide transfer guidance. The academic advisor also assists students with personal statements, scholarship applications, and resumes. Appointments must be made in order to meet with academic advisor. You may call (323) 780-6837 or email Monica Garcia garciamed@elac.edu to schedule an appointment with the Advisors.

- **Meeting with MESA Director** The MESA students may need or be required to meet with Dr. Armando Rivera for different reasons including Research Opportunities, Grade Point Average, Recommendation Letter and/or Advisement. You may call (323) 780-6730 or email Lidya Ermiya ermiyael@elac.edu to schedule an appointment with Dr. Rivera.

- **Tutoring Services.** The MESA program provides tutoring services by MESA students or Alumni in the fields of mathematics, engineering, chemistry, physics, biology, and environmental sciences. The tutors schedules and information is placed outside of the MESA office two weeks after the school semester has begun. There is a tutoring binder in the MESA Study Center that is used by the staff to book appointment. Although we encourage students to make appointments, walk-ins are also welcomed. You may book an appointment in person in the study center or by phone by calling (323) 780-6838.

  AEWs are facilitated by ELAC instructors who are currently teaching mathematics, chemistry and physics. The purpose of the workshop is to provide students with assistance outside of the classroom in specific courses.

- **Access to the MESA Loan Program.** The MESA Loan Program provides MESA students the opportunity to borrow school materials for the academic semesters. These materials include text books, scientific/graphing calculators, educational films, and laptops. According to availability, there may be a limit of materials a student may borrow; usually it is one of each material (i.e. 1 book, 1 calculator, etc.). There may be exceptions, for further questions regarding this rule, please contact the MESA office staff at (323) 780-6730. The loan program will be first come first served.

- **Access to the MESA Study Center.** The MESA Study Center is a place where MESA students come to study in a unique environment provided by a family oriented setting and the on-site staff. MESA students are able to focus on their academics by using the study center as location to study with other MESA students and to take advantage of what the study center has to offer. The MESA Study Center has 8 computers, four white boards, study space provided by study tables, one couch and a television. If that is not enough, MESA students are provided with dry erase markers and dry erasers during their study sessions, limitless scratch paper, and printing privileges. The study center is a privilege to MESA students, and there are a set of rules the students must follow in order to use these services.

- **Scholarships, Internships, and Research Opportunities.** Weekly emails inform the students about scholarships, internships, and research opportunities. If the student would like more information regarding a particular opportunity, they are encouraged to contact the MESA staff at (323) 780-6730. MESA staff is continuously looking for opportunities for students. Whenever there are scholarships, internships, or research opportunities, MESA students are promptly informed via email or phone calls.

- **Email and Information Updates.** MESA students are notified about campus events, transfer information, student services, and other related information through weekly emails. MESA students have the advantage of knowing what services are offered throughout the campus ahead of time by through emails. It is the student’s responsibility to provide the staff with an accurate and up to date working email address. This will facilitate the weekly emailing process for the advantage of the student. If the student does not receive emails, it is the student’s responsibility to notify the staff about the issue.

- **Science Transfer Day.** During the fall semester, MESA hosts a group of representatives from local universities who come and share information about majoring in mathematics, science or engineering at their institution. This event is a great opportunity to learn about different schools and what they have to offer. All MESA students are encouraged to attend this event. Whether you are applying to transferring during the same academic year or in the future, it is a great opportunity to learn about your major and local schools.

- **Field Trips and MESA Retreat.** MESA students are invited on educational field trips with the MESA staff as well as other staff on campus. In addition, once a year, MESA students are encouraged to participate in the MESA Retreat. The retreat is an opportunity to learn about green practices, develop leadership skills and get to know fellow MESA members. Field trips will be announced with sufficient time in advance for the students to plan ahead if interested. The MESA Retreat is dependent on funding and is done once a year. Sign-ups for the field trips and retreat are typically done a month in advance. For more information regarding field trips and the retreat, please contact the MESA staff at (323) 780-6730.

In collaboration with the California Connects Chancellor’s office and The Foundation for California Community Colleges (FCCC), East Los Angeles College Math, Engineering, Science Achievement offers students of good standing with a free laptop, provided by the Department of Chamber Grant. Students are committed to expand computer literacy in the East Los Angeles region by volunteering and teaching computer skills to family and community members. In addition, MESA is collaborating with Computer Applications & Office Technologies (CAOT) and the Information Technology (IT) department at ELAC in order to provide students with important computer skills through our IT Academy and a certiport Microsoft examination certification.

**MESA Program**

Armando M. Rivera, Ph.D.

Program Director Email: riveraam@elac.edu
ELAC Escalante Program

BASIC SKILLS (MATHEMATICS)

Requirements: Completion of 6th grade or above upon entering the program.

BASIC SKILLS 29CE 0.00 units
Algebra 1
This course includes the continued study of algebraic concepts and methods including expressions, equations, inequalities, and matrices. It also includes the use of tables and graphs as tools to interpret the content. The operations on expressions, equations, inequalities and matrices are studied with an emphasis on the power of mathematical abstraction and symbolism.
8:00am to 12:05pm MTWTHF STAFF TBA
(7 week classes – start date: TBA)

BASIC SKILLS 30CE 0.00 units
Geometry
This course includes the study of two and three dimensions to develop geometric skills and concepts and the ability to construct formal logical arguments in a geometric setting. It includes the study of concepts such as: transformations, congruence, and similarity. The course aims to interpret and use the content to solve real life problems. All the above is studied for the development of understanding of an axiomatic system through the study of traditional problems, investigations, and proofs.
8:00am to 12:05pm MTWTHF STAFF TBA
(7 week classes – start date: TBA)

BASIC SKILLS 31CE 0.00 units
Algebra 2
This course reviews and expands the Algebra I curriculum with an emphasis on abstract thinking skills, the concept of function, and the algebraic solution of problems in various content areas through the study of systems of equations, logarithmic and exponential functions, the binomial theorem, complex numbers, and other topics. Calculators are used to aid in the solution of problems and to deepen the understanding of the concepts.
8:00am to 12:05pm MTWTHF STAFF TBA
(7 week classes – start date: TBA)

BASIC SKILLS 32CE 0.00 units
Trigonometry/Pre-Calculus Preparation
This course combines the techniques of the Algebra and Geometry the students have previously studied. The trigonometry functions studied are defined geometrically rather than in terms of algebraic equations. The course emphasizes the analysis and conceptual understanding of polynomial, rational, radical, logarithmic, exponential, and trigonometric functions in preparation for the study of Calculus.
8:00am to 12:05pm MTWTHF STAFF TBA
(7 week classes – start date: TBA)

ELAC Athletics

ELAC Athletics offer a comprehensive selection of sports for both men and women designed to enhance collegiate education and promote and develop educational leadership, physical wellness, sports and participation, recreational pursuits and athletic excellence through a competitive intercollegiate program.

Excellent coaches, world-class facilities, professional trainers, academic support for student athletes, travel, and enhanced scholarship and transfer opportunities are great reasons to participate in ELAC athletic programs. Are you interested in competing in intercollegiate athletics? Contact ELAC Athletic Director Al Cone at (323) 265-8913 for immediate information. Plus, our athletic competitions are great entertainment! We invite all students and friends to cheer your favorite team to victory, console them when defeated, enjoy collegiate spirit and celebrate our marching band and pep squads.

To access the ELAC Athletics program, consult www.elac.edu and click on “Athletics” at the top of the page. All the latest information on how to apply to participate in a sport, contact coaches, review exciting photographs of ELAC teams in action, game schedules, and even find universities where graduated athletes are playing is available.

Honors Program, Spring 2016

THE HONORS PROGRAM OFFERS YOU:

- Priority consideration for admission to UCLA, UC Riverside, UC Santa Cruz, UC Irvine, Occidental College, Pitzer College, Pomona College, Chapman University, Whitman College, Loyola Marymount University and Mills College.
- Academically enriched classes, stressing critical thinking and written expression.
- Honors designation on your transcript for each completed Honors course.
- Honors Program certificate awarded upon completion of five Honors courses with a 3.0 GPA.
- Honors Program certification noted on your transcript.
- Increased student-instructor interaction, and more frequent association with other academically motivated, transfer-oriented students.
- Easy online registration for Honors courses for eligible students.
- UCLA library card, Honors scholarships, field trips, research conferences, and cultural events.

ELIGIBILITY FOR THE HONORS PROGRAM

- Continuing Students – A cumulative “B” average (3.0 GPA), eligibility for or completion of English 101, and completion of 12 transferable units.
- New Students – A cumulative “B” average (3.0 GPA) in high school and eligibility for English 101.

REQUIREMENTS FOR COMPLETING THE HONORS PROGRAM (EFFECTIVE FALL 2014)

- Enrollment in 6 or more transferable units per semester, maintenance of a 3.0 cumulative GPA and a 3.0 GPA in Honors courses.
- Completion of five Honors courses with a 3.0 GPA for certification upon transfer.

JOIN THE HONORS PROGRAM
YOUR PATH TO ACADEMIC SUCCESS

- PART-TIME STUDENTS WELCOME

To apply for admission to the Honors Program, see an Honors Counselor, Counseling Department, E1-127 or call (323) 265-8751.
For additional information, please contact: Honors Program Director, Nadine Bermudez at bermudn@elac.edu, (323) 265-8784 or Honors Program Coordinator, Wooi-Chin Ong at ongwc@elac.edu, (323) 780-6834.
Adelante First-Year Experience Program

The Adelante First-Year Experience (FYE) Program is committed to the educational success of students. Adelante FYE is a comprehensive program that collaborates with student services, committed faculty, and provides linked courses to create a stimulating learning environment. The goal of Adelante FYE is to provide part-time and full-time students the very best opportunities to succeed in transferring to a four-year university.

**ADELANTE FYE HIGHLIGHTS**
- Priority enrollment to Adelante FYE classes
- Full or Part-Time enrollment options
- Dedicated Adelante FYE counselors
- Assigned Adelante FYE academic coaches provide personalized assistance
- Dedicated and inspired faculty make courses interesting
- Transfer Information workshops specifically for Adelante FYE students
- Supplemental Instruction (SI) Coaching/study groups provide additional academic support
- Participation in Adelante FYE Summer Bridge Program
- Immediate access to financial aid counseling

**ADELANTE FYE REQUIREMENTS**
- Commitment to the Adelante FYE Program for one year
- Enroll in Adelante FYE Program courses and participate in activities and events
- Qualify for Math 105 or Reading 20, must start Summer 2015
- Qualify for Math 110, 115, 125, start Summer 2015 or Fall 2015
- Qualify for Math 110, 115, 125, or 227 and English 21, 28, or 101, start Fall 2015
- ELAC Student with 0 units completed (Exception: concurrent high school students)
- Concurrent enrolled high school students must not be on academic probation
