### ENGLISH TUTORING

The Writing Center, located in E3-220, offers tutoring, word processing, and Internet access for students in all disciplines. Students may improve their writing and thinking skills through one-on-one tutoring sessions, group workshops, and grammar assistance programs. Walk-in and scheduled appointments are available; students are also welcome to our Conversation Lab where they can improve their listening and speaking skills in a relaxed environment.

In order to enroll in one of the English Composition Sequence courses- English 21, 26, 28, 101, 102, or 103-students must have proof that they have met the prerequisite for that course. This proof may be: 1. an appropriate assessment score, 2. successful completion of the prerequisite course, or 3. prerequisite completion form confirming successful completion of a comparable course at another college.

After a computer check by Admissions, students not meeting the prerequisite for the course for which they registered will be administratively dropped.
