MESSAGE FROM THE PRESIDENT OF EAST LOS ANGELES COLLEGE

East Los Angeles College (ELAC) was established in June 1945 by the Los Angeles City Board of Education. In Fall 1945 a wing of James A. Garfield High School, in East Los Angeles, served as the college’s primary locale. ELAC quickly outgrew the borrowed high school facilities and two years later eighty-two acres of agricultural land were purchased and built upon. In January 1949 classes began at the college’s present location, about 5 ½ miles east of downtown Los Angeles in the City of Monterey Park. More than 1,700 students enrolled that year. During the last twenty years ELAC experienced unprecedented growth and change. Enrollment grew from 13,000, in the early 1990s, to more than 30,000 students. In Fall 2011 the college enrolled 36,605 students.

Growth in and around the college has not been limited to increased enrollment. The college has expanded from four bungalows to 104 structures including permanent buildings, bungalows, athletic fields, and parking structures. The college’s service area and the density of the service area population have also increased overtime. An emphasis on student-centered education and on providing support that engenders student success has increased the number of students that graduate, transfer, and realize their educational goals.

East Los Angeles College, in collaboration with the Los Angeles County Sheriff’s Department, recognize that ensuring student success and academic excellence is achieved by providing a campus environment that is both welcoming and safe for all students, faculty, staff, administrators and guests. It is our goal for everyone who visits and attends the college to have a pleasant and productive experience and we encourage you to join us in keeping a safe and welcoming environment.

The information provided in this report is made available to you in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). We invite you to read this document carefully and make use of the information to help keep the campus and its visitors safe. This report is also available from our webpage at http://www.elac.edu/adminservices/sheriff/doc/Elac2016AnnualSecurityReport.pdf. If you have any questions about campus safety, please contact the East Los Angeles College Sheriff’s Station in Room B5-104 (Weingart Stadium) or via phone at (323) 265-8800.

Sincerely,

Marvin Martinez
President, East Los Angeles College

Campus Security Authorities (CSA’s)

ELAC does not have procedures allowing victims or witnesses to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

Police reports are considered public records under state law, and reports of crime cannot be held in complete confidence. However, victims of sexual violence may request to law enforcement that their names not become a matter of public record. (Penal Code section 293.)

SECURITY AND ACCESS TO CAMPUS FACILITIES

No visitor on campus shall attend a college activity limited to college personnel without prior approval of the college president or his/her authorized representative. Any visitor on campus may attend a college event which is authorized as open to the public. (LACCD Board Rule 91202.) All visitors must adhere to the Code of Conduct, LACCD Board Rule Chapter IX, Article VIII (“Conduct on Campus”), available at: [http://www.laccd.edu/board_rules/documents/Ch.IX-ArticleVIII.pdf](http://www.laccd.edu/board_rules/documents/Ch.IX-ArticleVIII.pdf)

College premises shall not be used later than 11:00 p.m., except upon special permission of the college. (LACCD Board Rule 7200.32.)

All campus buildings and parking facilities are secured at 11:00 p.m. The ELAC Sheriff’s Department personnel conduct routine patrol and building security checks during non-business hours.

ELAC does not have any campus residences.

ELAC addresses security considerations in maintaining campus facilities in the following ways: All campus buildings pathways, hallways, and stairwell are routinely checked by ELAC Sheriff’s Department personnel and reports any necessary maintenance to Plant Facilities.
Authority of the Los Angeles County Sheriff’s Department

The LACCD contracts with the Los Angeles County Sheriff’s Department to provide security services at ELAC. The Sheriff’s Department has authority to apprehend and arrest individuals involved in illegal activity on campus and areas immediately adjacent to the campus. The Sheriff’s Deputies are peace officers as defined in Penal Code section 830.1. The Sheriff’s Security Officers are public officers as defined in Penal Code section 831.4, and have received training pursuant to Penal Code section 832.

Crimes occurring on campus are investigated by the Sheriff’s Department. The prosecution of criminal offenses, both felonies and misdemeanors, occurs at the Los Angeles Superior Court (for violations of state law) or the United States District Court, Central District of California (for violations of federal law). Sheriff’s Department personnel work as appropriate with local, state and federal law enforcement agencies, and have access to national crime databases.

The Sheriff’s Department maintains a daily crime log of criminal incidents and alleged criminal incidents which are reported to the Sheriff’s Department.

Accurate and Prompt Reporting of Crimes to Law Enforcement

To ensure the safety of everyone on campus, ELAC encourages the accurate and prompt reporting of crimes to the Sheriff’s Department at (323) 265-8800 or Room B5-104 (Weingart Stadium).

Professional Counselors

A professional counselor whose official responsibilities include mental health counseling to members of the ELAC community and who is functioning within the scope of his/her license or certification is exempt from disclosing reported offenses to law enforcement, unless there is a legal obligation to disclose. Personal information from counseling records will not be revealed unless disclosure is required by law. (LACCD Board Rule 8302.10.) However, counselors may encourage victims to make a report to law enforcement.

PROGRAMS REGARDING SECURITY PROCEDURES AND PRACTICES

Crime is unpredictable and can occur in a variety of means. Being aware of one’s surroundings and suspicious activity are examples on how to stay safe. If there is a sense of danger or a crime is witnessed, people are encouraged to contact the ELAC Sheriff’s Station at (323) 265-8800 or dial 911 from any available phone. Another tip for staying safe is for the students, faculty, staff, administrators and the college community at large to register their cell phones and email addresses to receive important notices via the Emergency Text Notification System, (Blackboard Connect).

PROGRAMS REGARDING PREVENTION OF CRIMES

The Los Angeles Community College District (LACCD) Cadet Program

MONITORING OF CRIMINAL ACTIVITIES OFF-CAMPUS

ELAC does not have off-campus locations for student organizations, such as off-campus housing facilities, and does not engage in monitoring of student criminal activity off-campus. While the college does not engage in monitoring of student criminal activity off-campus, students engaging in criminal activities off-campus in conjunction with college-sponsored activities may be subject to disciplinary action by the ELAC.

Educational Programs and Campaigns to Promote the Awareness of Dating Violence, Domestic Violence, Sexual Assault and Stalking

ELAC’s SAAVE provides resources, educates people and promotes awareness of domestic violence, rape, acquaintance rape, and other forcible and non-forcible sex offenses. SAAVE is partnered with the ELAC Women’s and Men’s Support Center, located in F5-315. Contact SAAVE Team for meeting dates and times. (owensas@elac.edu or iee@elac.edu). The Women’s and Men’s Support Center also provides referrals to places in the community that help and support victims of sexual assault, domestic violence and stalking. Additionally, educational materials on violence prevention and intervention are available at the center. For more information contact the Women’s and Men’s Support Center at (323) 780-6754.

The District prohibits dating violence, domestic violence, sexual assault, and stalking, as those terms are defined for purposes of the Clery Act.

- “Sexual Violence” refers to a forceful physical sexual act that is committed or attempted by another person without freely given Consent. (C-14, Section II.GG.)

- “Consent” when used regarding Sexual Misconduct matters refers to a mutual honest, direct agreement. Consent is never implied and cannot be assumed, even in the context of a relationship.

- **“Stalking”** refers to a course of conduct (two or more acts), directed at a specific person, on the basis of actual or perceived membership in a protected class, that is unwelcome, and would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress. Stalking may include legal, appropriate behavior such as sending someone flowers or waiting outside someone’s workplace for her/him to appear. However when these acts are couple with an intent to instill fear or injury, they may be part of a pattern of stalking behavior. (C-14, Section II.HH.)

Some safe and positive options for bystander intervention include the following:
Bystanders should analyze the situation to identify the emergency and threat levels, recognize the potential for harm and assume personal responsibility for acting. Bystanders should consider a strategy and weighing the risk of acting on such strategy. A strategy could be a verbal command to the violator to stop the aggression, calling local law enforcement or another appropriate authority such as a counselor or a professor. The bystander also has the option of stepping in to protect the safety of the victim(s).

**Procedures Victims Should Follow in Cases of alleged Dating violence, Domestic Violence, Sexual Assault or Stalking**

ELAC strongly encourages the timely reporting of crimes of alleged dating violence, domestic violence, sexual assault or stalking, so that evidence may be collected and preserved. It is important to preserve evidence that may assist in proving the alleged criminal offense occurred or may be helpful in obtaining a protection order.

If you are a victim of a dating violence, domestic violence, sexual assault, or stalking, you should contact the LACCD Title IX Coordinator, Cristy Passman at (213) 891-2267 and/or the ELAC Title IX Coordinator, Al Rios at (323) 415-5368.

You may also contact the following community organizations:

East Los Angeles Women’s Center
http://www.elawc.org
The Title IX Coordinator will inform the victim of his/her options to report the matter to either campus law enforcement or the local police department; be assisted by campus authorities in notifying law enforcement if the victim chooses; and decline to notify such authorities. (See C-14, Section IX.A.) The Sheriff’s Department on campus may be contacted at: (323) 265-8800, Stadium B5-104.

The Title IX Coordinator will also inform the victim of legal and disciplinary potions, including criminal prosecutions, civil action, and relevant District disciplinary processes. (C-14, Section IX.A.)

A victim is entitled to pursue independently civil remedies, including but not limited to injunctions, restraining order, or other orders. (C-14, Section XIV.) Information regarding domestic violence restraining orders is also available at: [http://www.courts.ca.gov/selfhelp-domesticviolence.htm](http://www.courts.ca.gov/selfhelp-domesticviolence.htm)

The District may also seek a temporary restraining order on behalf of an employee, if the employee has suffered unlawful violence or a credible threat of violence from any individual that can reasonably be construed to be carried out at the workplace. (Code of Civil Procedure section 527. 8.)

**Confidentiality of Victims and Other Necessary Parties**

All persons involved in investigations of complaints shall have a duty to maintain the confidentiality of matters discussed, except as many be required or permitted by law, including the rules and regulations of the District. (C-14, Section V.) The Title IX Coordinator will perform law enforcement of an incident for Clery Act reporting purposes, without providing any personally identifying information (e.g., name) of the victim. (C-14, Section IX.A.)

ELAC will maintain as confidential any accommodation or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

Requesting Changes to Academic, Transportation, and Working Situations or Protective Measures

ELAC will comply with a victim’s request for an academic situation change following an alleged offense, if such changes are reasonably available. For example, ELAC may, consistent with Board policy, provide the option of taking “withdrawal” or “incomplete” grades.

The College President or his/her designee shall refer an Alleged Victim to the Title IX Coordinator if he/she experiences academic difficulties as a result of the sexual assault. The Title IX Coordinator, in cooperation with the Vice President of Academic Affairs and /or Student Services may provide temporary sanctions to alleviate the immediate impact of the sexual assault. The President shall also refer a non-student Reporting Individual to the Title IX Coordinator for assistance with workplace or immediate difficulties that may arise. (C-14, Section IX.C.)

Temporary sanctions shall be implemented by the Title IX Coordinator, as required to separate the Alleged Victim and Respondent. Such temporary sanctions may include moving one party to another section of the same class or to a different online location, providing the Alleged Victim with an escort across campus, or permitting the Alleged Victim to take exams in a different location from the Respondent and/or alleged offender and any similar actions(s) intended to separate the parties and reduce the stress on them arising from the incident and allegations. (C-14, Section IX.D.)

Procedures for Disciplinary Actions for Cases of Alleged Dating Violence, Domestic Violence, Sexual Assault or Stalking

Formal complaints regarding alleged sexual misconduct at ELAC are investigated by the District’s Office for Diversity, Equity and Inclusion.

A Compliance Officer shall complete an investigation and make a written report to the College President in 60 days. (C-14, Section X.A.) The College President shall send a summary of the Compliance Officer’s report to the parties, and the Alleged Victim and Respondent have a right to make an oral statement to the College President within 15 days of receipt of the summary of the report. (C-14, Section X.B.)

The College President shall send a Written Decision to the parties. The Alleged Victim or Respondent may appeal within 15 days of the date of the Written Decision. The District’s Board of Trustees may review the matter and act within 45 days; if 45 days have elapsed without action by the Board of Trustees, the Written Decision is considered the final District decision. In cases not involving employment, there is also a right to file a written appeal to the State Chancellor within 30 days after the final District decision is issued by the Board of Trustees, or the 45-day period has elapsed. (C-14, Section XI.)

If discipline is to be taken, the College President or his/her designee shall initiate the applicable disciplinary process within ten (10) business days of issuing the Written Decision, or, for good cause, as soon thereafter as is practical. (C-14, Section XII.)

Disciplinary Action for Students

If the alleged perpetrator is a student, he/she may also be disciplined consistent with the procedures for campus disciplinary actions in LACCD Board Rules, Chapter IX, Article XI (“Student Discipline”), available at: [http://www.laccd.edu/Board/Documents/BoardRules/Ch.IX-ArticleXI.pdf](http://www.laccd.edu/Board/Documents/BoardRules/Ch.IX-ArticleXI.pdf)
Disciplinary Action for Employees

If the alleged perpetrator is a District employee, disciplinary action shall be pursued in accordance with state law, the LACCD Board Rules, the LACCD Personnel Commission, and/or any applicable collective bargaining agreement or memoranda of understanding. (C-14, Section XII.C.)

Standard of Evidence Used

The LACCD uses a “preponderance of evidence” standard. (C-14, Section XI.B.1.)

Possible Sanctions Following a Disciplinary Proceeding for an Allegation of Dating Violence, Domestic Violence, Sexual Assault or Stalking

Possible sanctions following a student disciplinary hearing include, but not are limited to, warnings, probation, suspension or expulsion from all of the District’s colleges. (C-14, Section XII.D.)

Disciplinary action against employees shall include, without limitation, verbal warnings, letters of reprimand, notices of unsatisfactory service, suspensions, demotions, or dismissals. (C-14, Section XII.C.)

Range of Protective Measures That May Be Offered to Victims Following an Allegation of Dating Violence, Domestic Violence, Sexual Assault or Stalking

Temporary sanctions shall be implemented by the Title IX Coordinator, as required to separate the Alleged Victim and Respondent. Such temporary sanctions may include moving one party to another section of the same class or to a different online location, providing the Alleged Victim with an escort across campus, or permitting the Alleged Victim to take exams in a different location from the Respondent and/or alleged offender and any similar action(s) intended to separate the parties and reduce the stress on them arising from the incident and allegations. (C-14, Section IX.D.)

A Prompt, Fair, and Impartial Process

Proceedings arising from an allegation of dating violence, domestic violence, sexual assault or stalking will include a prompt, fair, and impartial process from the initial investigation to the final result.

Proceedings will be conducted by officials who, at a minimum, receive annual training on the issues related to dating violence, domestic violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. The Title IX Coordinator is responsible for organizing training opportunities for administrators and other employees regarding Title IX sexual misconduct issues. (C-14, Sections III.B.2, III.B.3.)

The accused and accuser may have others present during a campus disciplinary hearing, with the exception of representation counsel. (LACCD Board Rule 91101.14(c)(7).)

In sexual misconduct cases, all parties (Respondent and Alleged Victim) must receive the same notifications, mailed at the same time, regarding all steps of the disciplinary process. They must all be given equivalent rights to be heard and access to an Advocate, and must receive comparable notification of the outcome of the disciplinary actions, subject to the legal and District limitations related to the privacy of the parties. All parties must be notified that disciplinary action is being taken, with specific details sufficient to ameliorate concerns of the person who was the
object of the violations, subject to legal and District limitations related to the privacy of the parties. (C-14, Section XII.B.) (An “Advocate” is someone trained by a Title IX coordinator, and an Advocate’s assistance can include providing moral support as well as information regarding procedural issues, throughout the pendency of an investigation, through the last internal appeal. (C-14, Section II.A.))

When a student or employee reports to ELAC that he/she has been a victim of dating violence, domestic violence, sexual assault or stalking, whether the offense occurred on or off campus, ELAC will provide the student or employee a written explanation of the student’s or employee’s rights and options.

INFORMATION REGARDING SEX OFFENDERS

Registered sex offenders must register with campus law enforcement within five working days of commencing enrollment or employment at ELAC. (Penal Code section 290.)

Information regarding registered sex offenders may be obtained at the California Department of Justice, Office of Attorney General’s “Megan’s Law” website, at: http://www.meganslaw.ca.gov/

If you are doing a search on the Megan’s Law site for sex offenders residing in the local area, ELAC’s zip code is 91754.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

ELAC will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students and employees occurring on the campus. Examples of such emergencies include outbreaks, extreme weather conditions, earthquakes, gas leaks, terrorist incidents, armed intruders, bomb threats, civil unrest, explosions, chemical or hazardous waste spills, etc. An Emergency Response Guide, detailing what people should do during emergency situations, is available:

To report an emergency, please contact the Sheriff’s Department at (323) 265-8800 or use one of the blue emergency phones throughout the Campus.

Notification Procedures

To sign up for the emergency notification system, students, staff, and the public can register at www.elac.edu by clicking on the “Emergency Alert.” The Blackboard Connect Emergency Notification System will be utilized to notify students, faculty and staff, and the public via SMS (text) and e-mail in the event of a campus emergency.

The entire campus community will be notified when there is a potential that a very large segment of ELAC is threatened. The College President or Vice President will reassess the situation and will make additional notifications or updates to the larger community outside of campus as appropriate.

ELAC will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond, or otherwise
1. Upon receiving an emergency report, the dispatcher will immediately inform the Deputy-in-Charge, who in turn notifies the Sergeant-On-Duty via radio dispatch.

2. The Deputy-In-Charge evaluates the threat level and responds based on the following criteria:

**Immediate Threat** – if the situation is dire and requires immediate response, the Deputy-in-Charge coordinates the first responders and the various resources, i.e. Monterey Park Police Department and other law enforcement and emergency response agencies.

After the appropriate response is initiated, a cadet or a Security Officer will be instructed to contact the ELAC Chain-of-Command (C.O.C.) President Marvin Martinez, Vice President Ann Tomlinson, if after hours the evening Dean when applicable. The C.O.C will provide the details and possible instructions on how the campus should be notified.

In the case of an active shooter or terrorist event, response would take precedence over emergency notification. However, the decision to remove the campus population from harm’s way will be paramount in the Sheriff’s Department handling of the response. It is likely the VOIP system and the speaker clusters will be the most immediate tools to deliver first-hand verbal information, while the task of relaying information via the Emergency Text Messaging System, campus-wide emails and the emergency notification line will be tasked to Administrative Service personnel. A copy of ELAC’s Active Shooter Emergency Plan and Active Shooter Policy is available at:

[http://www.elac.edu/currentstudents/studentresources/emergencyalert/index.htm](http://www.elac.edu/currentstudents/studentresources/emergencyalert/index.htm)

**Pending Threat** – if a threat is pending, perhaps eminent but not immediately life-threatening, the Deputy-in-Charge will notify and consult with the ELAC C.O.C. to determine the need and method to notify the campus population. In the case of bomb threats, criminal pursuits through campus, gang activity on campus or any unconfirmed reports of potentially dangerous activity, the Sheriff’s department will consult with the ELAC C.O.C.

**Natural Disaster or Evacuation Event** – in the event of a natural disaster, gas leak, chemical contamination or the like, the ELAC C.O.C. will coordinate with the Sheriff’s Department C.O.C. to determine an appropriate response and notification.

3. Once the threat is evaluated and the method of notification is selected, ELAC’s emergency notification systems will be activated.

**VOICE-OVER IP (VOIP)**
The VOIP system activates the speaker phone functions of any ELAC office phone. The system can be activated by the Sheriff’s department, select college administrators and staff. It is immediate, but limited by range. It does not, for example, reach classrooms.

**Speaker strobe & loud speaker systems**
The speaker strobe and loud speaker systems is a campus-wide notification system activated by the ELAC Sheriff’s department. The speaker strobes are located in most buildings on campus. The loud speaker clusters are positioned on top of Weingart Stadium (B-5) and the Ingall’s Auditorium – the notifications can be heard across campus.
Mass Email and Dedicated Information Lines
To relay information during an emergency or immediately after an emergency, ELAC can employ mass email and dedicated dial-in messages. The information hot-line number is (323) 265-3700.

Emergency Text Notification System
The Blackboard Connect Emergency Notification System reaches registered respondents via text messages and emails delivered through smart phone technology. The system is capable of sending brief emergency notifications to 26,000 recipients in a matter of seconds. The participants must voluntarily sign up to receive emergency text messages.

Testing of Procedures
ELAC conducts announced annual tests of its emergency response and evacuation procedures as well as ongoing training in the operation of our systems. Monthly tests of all emergency blue phones on campus are also conducted.

ELAC publicizes its emergency response and evacuation procedures by: e-mail, website, hardcopy bulletins and regularly scheduled presentations. Emergency evacuation map provided below.

ELAC will document each test by recording a description of the test, the date the test was held, the time the test started and ended, and whether the test was announced or unannounced. Copies of test documentation are available from Administrative Services (G1-101). Test documents will be retained for seven years from the date of the test.
