MESSAGE FROM THE PRESIDENT OF EAST LOS ANGELES COLLEGE

East Los Angeles College (ELAC) was established in June 1945 by the Los Angeles City Board of Education. In Fall 1945 a wing of James A. Garfield High School, in East Los Angeles, served as the college’s primary locale. ELAC quickly outgrew the borrowed high school facilities and two years later eighty-two acres of agricultural land were purchased and built upon. In January 1949 classes began at the college’s present location, about 5 ½ miles east of downtown Los Angeles in the City of Monterey Park. More than 1,700 students enrolled that year. During the last twenty years ELAC experienced unprecedented growth and change. Enrollment grew from 13,000, in the early 1990s, to more than 30,000 students. In Fall 2011 the college enrolled 36,605 students.

Growth in and around the college has not been limited to increased enrollment. The college has expanded from four bungalows to 104 structures including permanent buildings, bungalows, athletic fields, and parking structures. The college’s service area and the density of the service area population have also increased overtime. An emphasis on student-centered education and on providing support that engenders student success has increased the number of students that graduate, transfer, and realize their educational goals.

East Los Angeles College, in collaboration with the Los Angeles County Sheriff’s Department, recognize that ensuring student success and academic excellence is achieved by providing a campus environment that is both welcoming and safe for all students, faculty, staff, administrators and guests. It is our goal for everyone who visits and attends the college to have a pleasant and productive experience and we encourage you to join us in keeping a safe and welcoming environment.

The information provided in this report is made available to you in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). We invite you to read this document carefully and make use of the information to help keep the campus and its visitors safe. This report is also available from our webpage at http://www.elac.edu/collegeservices/sheriff/index.htm. If you have any questions about campus safety, please contact the East Los Angeles College Sheriff’s Station in Room BS-104 (Weingart Stadium) or via phone at (323) 265-8800.

Sincerely,

Farley Herzek
President, East Los Angeles College
CRIME STATISTICS

The following crime statistics for ELAC cover a period from July 01, 2009 to June 30, 2011 and have been compiled by the Los Angeles County Sheriff’s Department, in conjunction with local law enforcement agencies surrounding the campus. Campus crime, arrest and referral statistics include those reported to the Los Angeles County Sheriff’s Department, campus security authorities, and local law enforcement agencies. See CLERY ACT DEFINITIONS – LOCATIONS AND CRIME CATEGORIES for crime activity details.

East Los Angeles College has certain mandatory crime reporting obligations under state law. The Child Abuse Neglect and Reporting Act ("CANRA," Penal Code section 11164 et seq.) requires employees to report known or suspected instances of child abuse or neglect to law enforcement. Penal Code section 11160 requires prompt, mandatory reporting to law enforcement by health care practitioners (such as employees or contractors in the Student Health Center) when they provide medical services to a person they know or reasonably suspect is suffering from wounds inflicted by a firearm or are result of assaultive or abusive conduct.

Campus Security Authorities (CSA’s)

East Los Angeles College does not have procedures allowing victims or witnesses to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

Police reports are considered public records under state law, and reports of crime cannot be held in complete confidence. However, victims of sexual violence may request to law enforcement that their names not become a matter of public record. (Penal Code section 293.)
SECURITY AND ACCESS TO CAMPUS FACILITIES

No visitor on campus shall attend a college activity limited to college personnel without prior approval of the college president or his/her authorized representative. Any visitor on campus may attend a college event which is authorized as open to the public. (LACCD Board Rule 91202.) All visitors must adhere to the Code of Conduct, LACCD Board Rule Chapter IX, Article VIII (“Conduct on Campus”), available at: http://www.laccd.edu/board_rules/documents/Ch.IX-ArticleVIII.pdf

College premises shall not be used later than 11:00 p.m., except upon special permission of the college. (LACCD Board Rule 7200.32.)

In adherence with LACCD Board Rule 7200.32, all campus buildings are locked at 11:00 p.m. The ELAC Sheriff’s Department personnel conduct routine patrol and building security checks during non-business hours.

ELAC does not have any campus residences.

CAMPUS LAW ENFORCEMENT

Authority of the Los Angeles County Sheriff’s Department

The LACCD contracts with the Los Angeles County Sheriff’s Department to provide security services at East Los Angeles College. The Sheriff’s Department has authority to apprehend and arrest individuals involved in illegal activity on campus and areas immediately adjacent to the campus. The Sheriff’s Deputies are peace officers as defined in Penal Code section 830.1. The Sheriff’s Security Officers are public officers as defined in Penal Code section 831.4, and have received training pursuant to Penal Code section 832.

Crimes occurring on campus are investigated by the Sheriff’s Department. The prosecution of criminal offenses, both felonies and misdemeanors, occurs at the Los Angeles Superior Court (for violations of state law) or the United States District Court, Central District of California (for violations of federal law). Sheriff’s Department personnel work as appropriate with local, state and federal law enforcement agencies, and have access to national crime databases.

The Sheriff’s Department maintains a daily crime log of criminal incidents and alleged criminal incidents which are reported to the Sheriff’s Department.

Accurate and Prompt Reporting of Crimes to Law Enforcement

To ensure the safety of everyone on campus, ELAC encourages the accurate and prompt reporting of crimes to the Sheriff’s Department at (323) 265-8800 or Room B5-104 (Weingart Stadium).

Professional Counselors

A professional counselor whose official responsibilities include mental health counseling to members of the ELAC community and who is functioning within the scope of his/her license or certification is exempt from disclosing reported offenses to law enforcement, unless there is a legal obligation to disclose. Personal information from counseling records will not be revealed unless disclosure is required by law. (LACCD Board Rule 8302.10.) However, counselors may encourage victims to make a report to law enforcement.
PROGRAMS REGARDING SECURITY PROCEDURES AND PRACTICES

Crime is unpredictable and can occur in a variety of means. Being aware of one’s surroundings and suspicious activity are examples on how to stay safe. If there is a sense of danger or a crime is witnessed, people are encouraged to contact the ELAC Sheriff’s Station at (323) 265-8800 or dial 911 from any available phone. Another tip for staying safe is for the students, faculty, staff, administrators and the college community at large to become active members in ELAC’s crime prevention program or by registering to receive important notices regarding critical ongoing campus events via the new emergency notification system RaveMobile (http://www.elac.edu/collegeservices/alertme/index.htm).

PROGRAMS REGARDING PREVENTION OF CRIMES

The Los Angeles Community College District (LACCD) Cadet Program

Cadets are uniformed, non-sworn peace officers under the direction of the Los Angeles County Sheriff’s Department and Los Angeles Community College District personnel. Cadets provide a wide range of services to the campus community. Services include, but are not limited to: safety services, law enforcement police desk operations, public relations, clerical/administrative support, investigation assistance, property collection, crime prevention, parking enforcement, escorts and other related duties.

East Los Angeles College Violence Intervention Team (VIT)

The ELAC VIT is made up of a group of faculty, staff, administrators, students and community professionals who are dedicated to violence prevention and intervention. It is our hope that through raising awareness, providing resources, and educating people about the different forms that violence can take, we will help the ELAC campus community never have to accept excuses, be afraid to speak up, or live in fear. For information on Relationship Violence, Family Violence, Sexual Assault, Stalking, and Violence In Your Culture visit our website at http://www.elac.edu/studentservices/vit/index.htm. There you will find information about where to get help, how to report violence, information on VIT events such as resource fairs, take-back the night walks, self-defense workshops and safety tips.

MONITORING OF CRIMINAL ACTIVITIES OFF-CAMPUS

East Los Angeles College does not have off-campus locations for student organizations, such as off-campus housing facilities, and does not engage in monitoring of student criminal activity off-campus. While the college does not engage in monitoring of student criminal activity off-campus, students engaging in criminal activities off-campus in conjunction with college-sponsored activities may be subject to disciplinary action by the college.

POLICY REGARDING POSSESSION, USE, AND SALE OF ALCOHOLIC BEVERAGES AND ILLICIT DRUGS

The LACCD is committed to drug-free and alcohol-free campuses. Students and employees are prohibited from unlawfully possessing, using or distributing illicit drugs and alcohol on District premises, in District vehicles, or as part of any activity of the District or colleges of the District.

LACCD Board Rule 9803.19 prohibits the following: “Alcohol and Drugs. Any possession of controlled substances
which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230, any use of controlled substances the possession of which are prohibited by the same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District or while participating in any District or college-sponsored function or field trip. "Controlled substances," as used in this section, include but are not limited to the following drugs and narcotics: (a) opiates, opium and opium derivatives; (b) mescaline; (c) hallucinogenic substances; (d) peyote; (e) marijuana; (f) stimulants and depressants; (g) cocaine."

**Penalties**

A summary of federal penalties for drug related offenses is available at: http://www.justice.gov/dea/druginfo/ftp3.shtml.

In addition to criminal prosecution, violators are also subject to disciplinary action by ELAC. Student discipline actions may include the following: warning, reprimand, disciplinary probation, suspension, and/or expulsion.

**Health Risks**

Health risks associated with the abuse of controlled substances include malnutrition, damage to various organs, hangovers, blackouts, general fatigue, impaired learning, dependency, disability and death. Both drugs and alcohol may be damaging to the development of an unborn fetus. Personal problems include diminished self-esteem, depression, alienation from reality, and suicide. Social problems include alienation from and abuse of family members, chronic conflict with authority, and loss of friends, academic standing, and/or co- and extra-curricular opportunities. A description of various drugs and their effects is available at: http://www.justice.gov/dea/druginfo/factsheets.shtml.

**Drug and Alcohol Prevention Programs**

The purpose of the East Los Angeles College Student Health Center is to promote students’ physical, emotional, spiritual and social well-being. Programs are designed to help students meet their educational, career and personal goals by encouraging healthy attitudes and behavior.

**EMERGENCY RESPONSE AND EVACUATION PROCEDURES**

East Los Angeles College will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students and employees occurring on the campus. Examples of such emergencies include outbreaks, extreme weather conditions, earthquakes, gas leaks, terrorist incidents, armed intruders, bomb threats, civil unrest, explosions, chemical or hazardous waste spills, etc.

To report an emergency, please contact the Sheriff’s Department at (323) 265-8800 or use one of the blue emergency phones throughout the Campus. The Campus Security Authority members listed on page seven will make the determination of the existence of an emergency on campus.

**Notification Procedures**

Emergency notification protocols will initiate as soon as the Sheriff’s department receives the relevant information. It should be understood that emergency reports may be reported to Monterey Park 911 or an administrative entity, but emergency notification will be evaluated and initiated by the Sheriff’s department and, whenever possible, in conjunction with ELAC administration.

1. Upon receiving an emergency report, the cadet on duty will immediately inform the Deputy-in-Charge, who in turn notifies the Sergeant-On-Duty via radio dispatch.

2. The Deputy-In-Charge evaluates the threat level and responds based on the following criteria:

   **Immediate Threat** – if the situation is dire and requires immediate response, the Deputy-in-Charge coordinates the first responders and the various resources, i.e. Monterey Park Police Department and other law enforcement and emergency response agencies.

   After the appropriate response is initiated, a cadet or a Security Officer will be instructed to contact the ELAC Chain-of-Command (C.O.C.) with details and possible instructions on how the campus should be notified.
In this case of an active shooter or terrorist event, response would take precedence over emergency notification. However, the decision to remove the campus population from harm’s way will be paramount in the Sheriff’s Department handling of the response. It is likely the VOiP system and the speaker clusters will be the most immediate tools to deliver first-hand verbal information, while the task of relaying information via RAVE Mobile, campus-wide emails and the emergency notification line will tasked to Administrative Service personnel.

**Pending Threat** – if a threat is pending, perhaps eminent but not immediately life-threatening, the Deputy-in-Charge will notify and consult with the ELAC C.O.C. to determine the need and method to notify the campus population. In the case of bomb threats, criminal pursuits through campus, gang activity on campus or any unconfirmed reports of potentially dangerous activity, the Sheriff’s department will consult with the ELAC C.O.C.

**Natural Disaster or Evacuation Event** – in the event of a natural disaster, gas leak, chemical contamination or the like, the ELAC C.O.C. will coordinate with the Sheriff’s Department C.O.C. to determine an appropriate response and notification.

3. Once the threat is evaluated and the method of notification is selected, ELAC’s emergency notification systems will be activated.

**VOICE-OVER IP (VOiP)**
The VOiP system activates the speaker phone functions of any ELAC office phone. The system can be activated by the Sheriff’s department, select college administrators and staff. It is immediate, but limited by range. It does not, for example, reach classrooms.

**Speaker strobe & loud speaker systems**
The speaker strobe and loud speaker systems is a campus-wide notification system activated by the ELAC Sheriff’s department. The speaker strobes are located in most buildings on campus. The loud speaker clusters are positioned on top of Weingart Stadium (B-5) and the Ingall’s Auditorium – the notifications can be heard across campus.

**Mass Email and Dedicated Information Lines**
To relay information during an emergency or immediately after an emergency, ELAC can employ mass email and dedicated dial-in messages. The information hot-line number is (323) 265-3700.

**RaveMobile**
The RaveMobile system reaches registered respondents via text messages and emails delivered through smart phone technology. The system is capable of sending brief emergency notifications to 26,000 recipients in a matter of seconds. The participants must voluntarily sign up to receive RaveMobile messages.

East Los Angeles College will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond, or otherwise mitigate the emergency.

The entire campus community will be notified when there is a potential that a very large segment of ELAC is threatened. The administrator(s) identified above, in collaboration with the Sheriff’s department, will reassess the situation to determine whether additional notifications or updates need to be made.

**Evacuation Procedures**

Campus evacuation procedures are included in all evacuation maps posted throughout the campus, on the campus website and on page twenty-four of this document.

**Testing of Procedures**

East Los Angeles College conducts announced biannual tests of its emergency response and evacuation procedures as well as ongoing training in the operation of our systems. Monthly tests of all emergency blue phones on campus are also conducted. ELAC publicizes its emergency response and evacuation procedures by: e-mail, website, hardcopy bulletins and regularly scheduled presentations. Emergency evacuation map provided below.

ELAC will document each test by recording a description of the test, the date the test was held, the time the test started and ended, and whether the test was announced or unannounced. Copies of test documentation are available from Administrative Services (G1-101). Test documents will be retained for seven years from the date of the test.
