I hereby challenge the prerequisite or corequisite requirement for the above course for the reason indicated below.

Check appropriate box:

- I have the appropriate documented knowledge, experience or ability to succeed in the course for which the prerequisite or corequisite is specified.
- Requirement (prerequisite or corequisite) was not established by adopted L.A.C.C. District process, or was established in violation of Title 5.
- Requirement is unlawfully discriminating or applied in an unlawful discriminatory manner.
- I will be delayed in fulfilling the requirements for a degree or certificate because the prerequisite course has not been made reasonably available.
 - a. I have specified an educational goal after having completed 15 units of college work with a GPA of C or better;
 - b. Have filed an educational plan 90 days after completing the said 15 units; and
 - c. Alternate courses to fulfill degree or certificate requirements are not available.
- I have the appropriate documentation to show that I do not pose a health or safety threat to others or myself in courses for which a health or safety prerequisite is specified.
- I will be delayed in fulfilling the requirements for a degree or certificate because course enrollment was limited to students judged more qualified in intercollegiate competition, honors, or public performance, or enrollment was limited to a particular cohort of students. I filed an Educational Plan and specified an educational goal after having completed 15 units of college work with Satisfactory Academic Progress.

It is the student's responsibility to provide appropriate documentation to support this petition. **Appropriate documentation must accompany this petition.**
