This letter of introduction comes from the Scholarship Committee of the Ebell of Los Angeles. It was in 1919, that then-Ebell President Mrs. Matthew S. Robertson wrote to the membership: "...our Club could do no greater work than to establish as its permanent work in this city, a fund for the education of the young. Education means not only elevation of the mind but expansion of the soul." The Ebell Scholarship Committee was established as an entity in 1919, and continues today, working to provide opportunities for change.

The Ebell Scholarship Program has supported undergraduate college education by giving financial awards to qualified full-time students. Currently, students can receive $3000 per year if they are attending a 2-year college and $5000 per year if they are enrolled in a 4-year institution. For this 2015-16 academic year, Ebell Scholarships were awarded to students, representing over 20 So-Cal schools.

Enclosed you'll find a “Scholarship Application,” an updated “Terms & Conditions” page and an updated “Financial Aid Profile” page. Also, we have included some flyers to post, if desired.

Please update your website to reflect our new application for 2016 and/or have your students email us at: scholarship@ebelloflosangeles.com.

Thank you, each of you for taking the time to refresh your memory about our Ebell Scholarship opportunity.

Warm Regards,

Donna Russell

The Ebell/Flint Scholarship
Terms and Conditions

Awards of Ebell scholarships are based upon scholarship, character, and financial need. The Scholarship Committee’s judgment as to the eligibility for a scholarship will be based not only upon college scholastic transcripts in the usual form, but also on a personal statement (see details below) and written recommendations on behalf of the candidate, and an in-person interview. Currently, the scholarship award for 2 year schools, such as community colleges, is $3000 per year; the award for 4 year colleges and universities is $5000 per year, each issued in two disbursements.

All Ebell Scholars have excellent academic records and are in financial need. The commitment they have to their communities is the way they demonstrate to us their character. The definition of community is different for each student; it may be their school community, it may be their city, or it could be their family, which may require extraordinary support of one kind or another from the student. Because we consider the scholarships our gift to the community, we choose scholarship recipients who share our feeling of responsibility for the communities in which we all live.

Eligibility
For an applicant to be considered for an Ebell scholarship they must meet the following requirements:
- United States citizenship. If a naturalized citizen, please send a copy of the official documentation

- Expected sophomore status or higher in that educational institution in Fall 2016 (only undergraduates qualify)

- Availability for an in-person interview with Ebell Scholarship Committee on our Ebell campus
