

SCHOLARSHIP DEPARTMENT

February 9, 2018

Dear Directors,

Once again the Ebell of Los Angeles is proud to announce our continued support for college students in Los Angeles County. The 2018/2019 cycle is the 99th year of providing scholarships to students attending two and four year accredited institutions.

This past fall, I had the privilege to meet with several Financial Aid and Scholarship Directors who were able to provide valuable feedback that helped us update our application forms and process. One important change this year is that we are requiring all students to submit their most RECENT Award Letter with their application. For some students who were able to complete the FAFSA early enough they will be able to submit the current year Award Letter. For other students we will continue to accept last year's Award Letter.

Enclosed with this package are the following:

1. This cover letter
2. An application form
3. A financial aid form
4. The terms and conditions for completing the application
5. A flyer for you to copy and post
6. A request for current contact information

You should have received both an electronic copy and a hard copy in the mail. If you only receive one or the other version please help us update our contact database by completing and sending back your contact information.

Thank you for promoting our scholarship to your students. If you have any questions, you may contact me: scholarship@ebelloflosangeles.com

Cordially,

Judith Day, Director of Scholarships

The Ebell/Flint Scholarship Terms and Conditions

Awards of Ebell scholarships are based upon scholarship, character, and financial need. The Scholarship Committee's judgment as to the eligibility for a scholarship will be based upon college scholastic transcripts in the usual form; a personal statement; written recommendations on behalf of the candidate; a Financial Aid Form; and an in-person interview. Currently, the scholarship award for 2-year schools, such as community colleges, is \$3,000 per year; the award for 4-year colleges and universities is \$5,000 per year, each issued in **two** disbursements.

All Ebell Scholars have excellent academic records and are in financial need. The commitment they have to their communities is the way they demonstrate to us their character. The definition of community is different for each student: It may be their school community, it may be their city community, or it could be their family, which may require extraordinary support of one kind or another from the student. Because we consider the scholarships our gift to the community, we choose scholarship recipients who share our feeling of responsibility for the communities in which we all live.

Eligibility

For an applicant to be considered for an Ebell scholarship they must meet the following requirements:

- United States citizenship. If a naturalized citizen, please send a copy of the official documentation
- Permanent Resident of Los Angeles County
- Full-time undergraduate attendance at an accredited Los Angeles County college or university
- Expected sophomore status or higher in that educational institution in Fall 2018 (only undergraduates qualify)
- Achievement of at least a 3.25 cumulative GPA
- Demonstrated involvement in community service
- Availability for an in-person interview with Ebell Scholarship Committee on our Ebell campus

Application Deadline

Monday, April 2, 2018: Note: ALL application materials must be submitted in one envelope.

- 1) The Ebell of Los Angeles Scholarship Application Form
- 2) A one-page Personal statement describing who you are, your goals, any community service, financial need, etc.
- 3) Official Transcripts from all higher educational institutions attended by the applicant. **If selected, an end-of-year transcript will be required.**
- 4) Ebell Scholarship Applicant Financial Aid Profile
- 5) Three signed letters of recommendation (faculty member, professional or work associate, personal reference, e.g. teacher, counselor, religious leader.) Letters from family members and peers will not be considered.

Scholarship recipients must continue to maintain a minimum cumulative GPA of 3.25 and each academic year must successfully complete a minimum of 24 units (semester system) or 36 units (quarter system). This requirement will be verified by an official transcript to be sent to us by the student before the first (September) scholarship check is disbursed. Scholarship awards are made for a maximum of 3 years or until attainment of a Bachelor's degree, whichever comes first.

In addition, students who are awarded Ebell/Flint Scholarships are required to keep their address, telephone number and e-mail address current with The Ebell Scholarship Office.

By signing and submitting The Ebell/Flint Scholarship application, the applicant acknowledges that he/she has read, understands and agrees to its terms and conditions, including the fact that the scholarship, if awarded, is to be used for educational purposes only.
