

COLLEGE CREDIT FOR ADVANCED PLACEMENT (AP) TESTS

Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Tests with scores of 3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and A.A. general education (GE) requirements. (ELAC is not currently granting credit for ADT major requirements.)

Students must have the College Board send AP exam results to the Admissions Office (hand carried copies will not be accepted) for use on the A.A. GE or transfer GE patterns.

AA: GE and elective credit awarded by the LACCD for Advanced Placement exams is noted and listed on a student's transcript under the memorandum section, with units awarded and GE area fulfilled. Note: Course equivalency credit given (if any) for AA degree major requirements must be determined by faculty. Course equivalency does not award unit credit. Students must petition for this type of credit.

Transfer Credit: Every college and university has its own policy for awarding credit for passed AP exams. **Caution:** Transfer students must check with the college or university they plan to transfer to for the institutions Advanced Placement policy.

The University of California Advanced Placement Policy can be found on their website: <http://admission.universityofcalifornia.edu/counselors/exam-credit/ap-credits/index.html>

The California State University Advanced Placement Policy can be found on their website: <http://calstate.edu/transfer/requirements/csustudents.shtml>

CSU GE: The Advanced Placement examinations may be incorporated into the certification of CSU General Education-Breath requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breath area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breath requirements. Complete details of the official CSU AP Policy can be found on CSU Chancellor's website: <http://www.calstate.edu/acadaff/codedmemos/AA-2015-19.pdf>

IGETC: AP exams must be used in area indicated regardless of where the certifying CCC's discipline is located. Complete details of the official IGETC AP Policy can be found in the IGETC Standards: <http://icas-ca.org/standards-policies-and-procedures-manual>

Private Institutions:

The University of Southern California (USC) Advanced Placement policy can be found on their website: http://arr.usc.edu/services/articulation/adv_placement_exam_credit.html
For additional private institutions, please check with a counselor for more information.

Transfer Major Requirements: It is rare that colleges and universities will allow a passed AP exam to fulfill a course requirement that is needed for the major. In these cases, students may be advised to complete the course(s) to fulfill major requirements. Please check with a counselor for more information.
