

# The CSU Mentor Express Application Mode

## Key Points to Remember

Once you **submit** your **first** application, you can now apply to multiple campuses quickly and easily!

- ✓ Screens **2 through 12** will now be auto-populated. The data will be retrieved from your most recently **submitted** application.
- ✓ The Express Mode is only applicable for the **same** admission application cycle (i.e. 2013-2014).
- ✓ You have **90 days from last submitted application** to use the Express Mode.
  - **Why, you may ask?** After 90 days, it is unlikely that your information will remain the same when you apply again.
  - **Will your basic data still be saved?** Absolutely! You just won't be able to use the Express Mode.
  - **Will you be able to EVER use Express Mode again?** Yes! You will have to repeat the above process to regain access to this mode. Submit your initial application, then voila!
- ✓ What is **NOT** part of the Express Mode:
  - **Supplemental questions – this will remain in the Standard Mode.**
  - **EOP Application - this will remain in the Standard Mode.**
