******PLEASE READ THIS BULLETIN THOROUGHLY AND KEEP IT FOR FUTURE REFERENCE******

CENSUS ROSTER(S) (red & white): attached to this bulletin are all census rosters for your courses taught during summer, 2009 1st Session (06/15/2009 TO 07/17/2009). The Census roster(s) lists all students who were pre-enrolled as of Thursday, June 11, 2009. Some students may have registered after the roster print date. Please check all information for accuracy. Report any errors to the Office of Admissions. Students that are not printed on the census roster, but are in attendance in your class are NOT properly registered.

Attendance: Administrative Regulations E-13 requires that daily student attendance be maintained for ALL classes through Census week. It is imperative that attendance is recorded daily for each student on the Census roster. Write in any students who have "added" into the class through the add permit process. There is additional space on the back of the Census roster. Use your own symbols and complete the "Key" at the bottom of the Census Roster. Please note what codes you use for "present" and "absent".

Adding Students: Students not listed on the Census Roster can be added through the "add permit" process. Add Permits were issued to each instructor's mailbox and additional add permits are available from your department and the office of Admissions. Students should be added based upon seat availability in class. Students who are given add permits are required to submit them to Admissions immediately and should show proof (return copy of add permit) to the instructors by the next class meeting. **The deadline to submit add permits to Admissions is Thursday, June 18, 2009 at 7:00pm.**

Open Enrollment: For low enrollment classes, the open enrollment process will continue on through **June 18, 2009**. Students who complete the open enrollment process will bring a receipt to the instructor by the next class meeting. The student's name will appear on subsequent rosters.

Return of Roster: Listed below are the different rosters printed and distributed to each instructor for each class. Please note the **DUE DATE (06/25/2009)** that each form must be returned to the Office of Admissions. Failure to do so may result in disciplinary action by the Office of Academic Affairs. **It is crucial that you return the CENSUS ROSTER to the Admissions Office upon the due date.**
