Degree Path and Requirements:

This map is a suggested term-by-term sequence of courses to complete the program in a recommended time frame. This is an efficient and recommended plan, but actual plans may vary by individual student need. This map cannot replace a meeting with [counselors](#).

Department Advising Notes:

The department recommends that students meet with an Academic Counselor during the course of this program, to plan for course and program completion.

Program Description

The Health/Service Careers Foundational Skill Certificate prepares students with entry level skills and competencies needed for employment opportunities within the healthcare and social service industry. Topics focus on competencies required of healthcare and social service providers, such as HIPAA, Professionalism/Ethics, Diversity/Cultural Awareness, Teamwork, Collaboration, Conflict Resolution, Customer Service, Safe Practice/ Infection Control, Medical Terminology, and First Aid. Completion of this skills certificate provides the first step in making an informed decision regarding the selection of additional programs of study leading to healthcare and service careers.

Career and Transfer Opportunities

Visit the [Transfer Center](#) for transfer information, which varies based on transfer college. Make an appointment with a [counselor](#). Students can visit [Career and Job Services](#) for career counseling and further exploration.
