Course Learning Outcome Technical Review Checklist

The CLO statement:	YES	NO
1. Is a grammatically correct sentence.		
2. Uses an action verb from Bloom's taxonomy that is "apply" level or higher.		
3. Describes an overarching ability rather than something minute or a list of objectives.		
4. Makes sense to a college student with little experience in the discipline.		

An outcome must get a "Yes" to all 4 items to pass the Technical Review.
