Career and Academic Pathways (CAPs)

ELAC's degree and certificate programs are organized into eight Career and Academic Pathways (CAPs) based on interest areas, similarities in coursework, and career pathways. The academic maps under each CAP represent the sequencing and combinations of major and general education coursework recommended by faculty to help you develop your educational plan. Explore our eight CAPs that lead to rewarding careers or preparation for transfer.

1. ADMINISTRATION OF JUSTICE & PUBLIC SAFETY
2. BUSINESS ADMINISTRATION, LAW, & INFORMATION TECHNOLOGY
3. EXPLORATION & PREPARATION
4. HEALTH SCIENCES
5. LANGUAGE & COMMUNICATION
6. SOCIAL & BEHAVIORAL SCIENCES
7. SCIENCE, TECHNOLOGY, ENGINEERING, AND MATHEMATICS
8. ARTS, MEDIA, & DESIGN

CAP Teams

Over 50 faculty, students, staff, and administrators have a variety of roles (e.g., discipline faculty, data coach, PD rep) and represent multiple departments and units on Career and Academic Pathways (CAP) Teams! CAP Teams perform department outreach, building CAP communities, and performing data-driven inquiry to close equity gaps. CAP Teams, led by Guided Pathways facilitators, discuss barriers for students in a CAP and/or opportunities to increase equity and build CAP communities. It is important to collaborate, leverage the great work that is already being done in many departments/units, and scale it to reach all students. To join a CAP Team, email guidedpathways@elac.edu
