## Program Description

These courses emphasize the perspective, concepts, theories and methodologies of the disciplines typically found in the vast variety of disciplines that comprise study in the social and behavioral sciences. Students study about themselves and others as members of a larger society to evaluate how societies and social subgroups operate.

## Program Map

A suggested sequence of classes to complete a degree, certificate, or program of study. Students should consult an academic counselor for variations to this plan based on part-time or full-time status, transfer plans, pre-requisites needed, etc.

## Milestones

Courses or specific requirement designed to keep students on course to complete.

## Core Course

A course that all declared majors must complete in order to achieve a degree or certificate.

## Prerequisite Course

A specific course that must be completed before advancing to the next course.
