

**EAST LOS ANGELES COLLEGE
INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)
UNIVERSITY OF CALIFORNIA AND CALIFORNIA STATE UNIVERSITY
2021–2022**

All courses used towards IGETC requirements must be passed with a "C" or better. Courses listed in multiple areas shall not be certified in more than one area except for courses in Languages Other Than English, which can be certified in both Areas 3B and 6A. Courses with red number (ex. F10), indicates the GE area applicability effective date. **Courses listed below are approved for ELAC only. If you plan to enroll in a course within the LACCD that has the same prefix and number, or any course at another California Community college, please check with a counselor or ASSIST.org to verify the course is approved for the GE area at that college.** Disclaimer: Every effort has been made to ensure the accuracy of the form. However, the information is unofficial and should be checked against the official information found at www.assist.org.

AREA 6A: LANGUAGE OTHER THAN ENGLISH -UC requirement only

Proficiency met with equivalent to two years of high school study in the same language or the second level of high school instruction or completion of Level 2 or above college foreign language course. Courses at Level 3 or above may be double counted in Area 3B.

A S L 002, 003, 004^{F11}; CHINESE 002, 003; FRENCH 002, 003, 004, 005; JAPAN 002, 003, 004; SPANISH 002, 003, 004, 005, 006, 035^{F16}, 036^{SP10}, 037

Completed at high school _____ Course from other college _____ AP/IB Exam _____

C	IP	N

CSU Graduation Requirement in U.S. History, Constitution and American Ideals: Two courses - one from US-1 and one from US-2/US-3. (These courses are **not part of IGETC** and may be completed prior to transfer). Courses may be double counted in Area 3B or 4.

US-1: AFRO AM 004, 005; ASIAN 001^{F15}, CHICANO 007, 008; HISTORY 006^{F09}, 011, 012, 052, 081, 082 **US-2/US-3:** POL SCI 001

Updated 8/21 IGETC2021-22 ver. 1 IGETC Standards Version 2.2

Common Questions about the IGETC

1. What is the Intersegmental General Education Transfer Curriculum?

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program which community college transfer students can use to fulfill lower-division general education requirements for either the UC or CSU system.

2. Is completion of the IGETC an admissions requirement?

No. However, **UC Berkeley's College of Letter & Science** requires **full completion of the IGETC pattern** as selection criteria for admission into the College.

3. Is it advisable for all transfer students to follow the IGETC?

No. Some students may be better served by taking courses which fulfill the CSU General Education - Breadth requirements, or the general education pattern of the specific UC campus to which they plan to transfer. Students pursuing majors that require extensive lower-division major preparation such as Engineering or Business (UC Berkeley) may not find the IGETC option to be advantageous. The IGETC will probably be most useful for students who wish to keep their options open before deciding to transfer to either a UC or CSU campus.

4. Is a minimum grade required in all courses used for IGETC certification?

Yes. Both the UC and CSU require a grade of "C" or better in all courses used for the IGETC.

5. May students "double-count" courses toward major and general education requirements?

"Double-counting" of courses is allowed by the UC system. The CSU campuses have limits on the number of courses that can be double counted. Please check with a counselor regarding this policy.

6. May "pass/no pass" courses be used towards IGETC requirements?

Courses in which a student receives a "P" grade may be certified for IGETC if the community college's policy states that a "P" designation is equivalent to a "C" grade or better (East Los Angeles College has this policy). It is important to keep in mind that some UC and CSU campuses have limitations on the number of "pass/no pass" courses that may be used to meet degree requirements. Please see a counselor.

7. Must the entire IGETC program be completed in order for a student to be certified under IGETC?

Completion of the full IGETC pattern is HIGHLY RECOMMENDED. Partial certification is allowed. *Students can be missing no more than two courses to qualify for partial certification.* Students who are partially certified must work with the University after transfer to determine how to complete the missing requirements. **Warning:** You need to complete minimum UC/CSU transfer admission requirements. Therefore, if you are missing courses in IGETC Areas 1 and/or 2 you may not be eligible for admission and could put your admissions in jeopardy. Please check with a counselor if you have questions. See #8 for IGETC for STEM requirements.

8. What is IGETC for STEM?

IGETC for STEM is only allowed for ADT degrees which specifically allow completion of IGETC for STEM on the statewide Transfer Model Curriculum. Currently, only the ADT majors in Chemistry, Biology, and Environmental Science allow this pattern. Students pursuing the ADT in Biology, for example, may complete IGETC for STEM, deferring one course in Area 3 and one course in Area 4 until after transfer. Students must complete the following: all courses in Areas 1, 2 and 5 of the traditional IGETC; and one course in Area 3A Arts and one course in Area 3B Humanities; and two courses in Area 4 from two different disciplines.

9. When do I apply for IGETC certification?

IGETC certification should be done at the end of your last semester at ELAC before transferring. You should apply for IGETC certification when you request your final transcript. The **IGETC Certification Request form** and the **Transcript Request Form** are available at the Admissions Office. You must select the check box choosing either UC IGETC or CSU IGETC depending on which university system campus you have decided to attend. If courses from another college are being used towards certification, the pass along box should be checked on this form. All transcripts from other colleges must be on file at the Admissions Office. If you have taken Advanced Placement (AP) tests, you must have a copy of your College Board transcript sent to the Admissions Office. If you have taken International Baccalaureate tests, you must have your scores sent directly from the IB organization to the Admissions Office.
