Students can visit Career and Job Services for career counseling and further exploration. For additional resources, students pursuing a certificate can visit the American Job Center of California on ELAC main campus.

Department Advising Notes:

This map was created for students wishing to pursue a Skill Certificate in Architectural History. The Department provides 6 other focused Skill Certificates in Architectural Computer-Aided Design 3D Modeling, Architectural Computer-Aided Design AutoCAD, Architectural Detailing, Architectural Graphics, Architctural Professional Practice I and Architctural Professional Practice II. It is recommended to review the course maps and the course discriptions found in the College General Catalog to determine student intrest and associated pathway. These Skills Certificates are the foundation of specific Associated in Arts curriculum and Certificates of Achivement. These certificates assist with the Professional Portfolio and employment opportunities.

Note: This Certificate Map, by itself, are not the preferred or qualified pathway to University Transfer. While some course work will cross over, the University Transfer Pathway is specific to individual Universities and will require counseling with the Department of Architecture Chair.
Note: Course offerings are fairly consistent from semester to semester and year to year.

Program Description

One of Seven Skills Certificate Programs, this 4 Unit Skill Certificate is a focus of Architectural History. These two course review the history of Architecture from prehisoric times to the beginning of the Renaissance (Arc 130) and the Renaissance to the present (Arc 131). These courses receive UC/CSU credit and meet the requirements of Area C of the LACCD GE. Course are designed for support of the Associated Arts Degrees and University Transfer.

Career and Transfer Opportunities

The Architectural History courses provide students of architecture reflective knowledge of the historical develop of architecure to assist in their own design courses. This currciulum provides hisorical context of the influences that has shaped the history of architecture: Geographical, geological, climatic, religious, social and historical. These courses are necessary for design course success and not ment as a stand alone skill for employmnet. This Skill Certifcate is designed to supplement Architectural Design courses and the Architectural Drafting Certificate of Achivement as well as the Architectural Drafting Associate in Arts Degree.

Visit the Transfer Center for transfer information, which varies based on transfer college. Make an appointment with a counselor. Students can visit Career and Job Services for career counseling and further exploration.
