Students complete a portfolio encompassing work from each course in preparation for employment in the entertainment industry. Students receive specialized classroom instruction which is reinforced with rigorous hands-on training in costume practicums.

This skills certificate is intended to be stacked with other skills certificates that lead to the Costume Design and Technology Certificate of Achievement, combined with an AA or AAT degree in Theatre Arts for transfer. In the entertainment industry, students with a 4 year or graduate level degree have

a greater network and skill set which can be beneficial in a competitive field. CSU and UC schools have costume programs within their Theater Arts Departments for either a BA, BFA, MA or MFA degree.
