AA DEGREE  
CHOICES

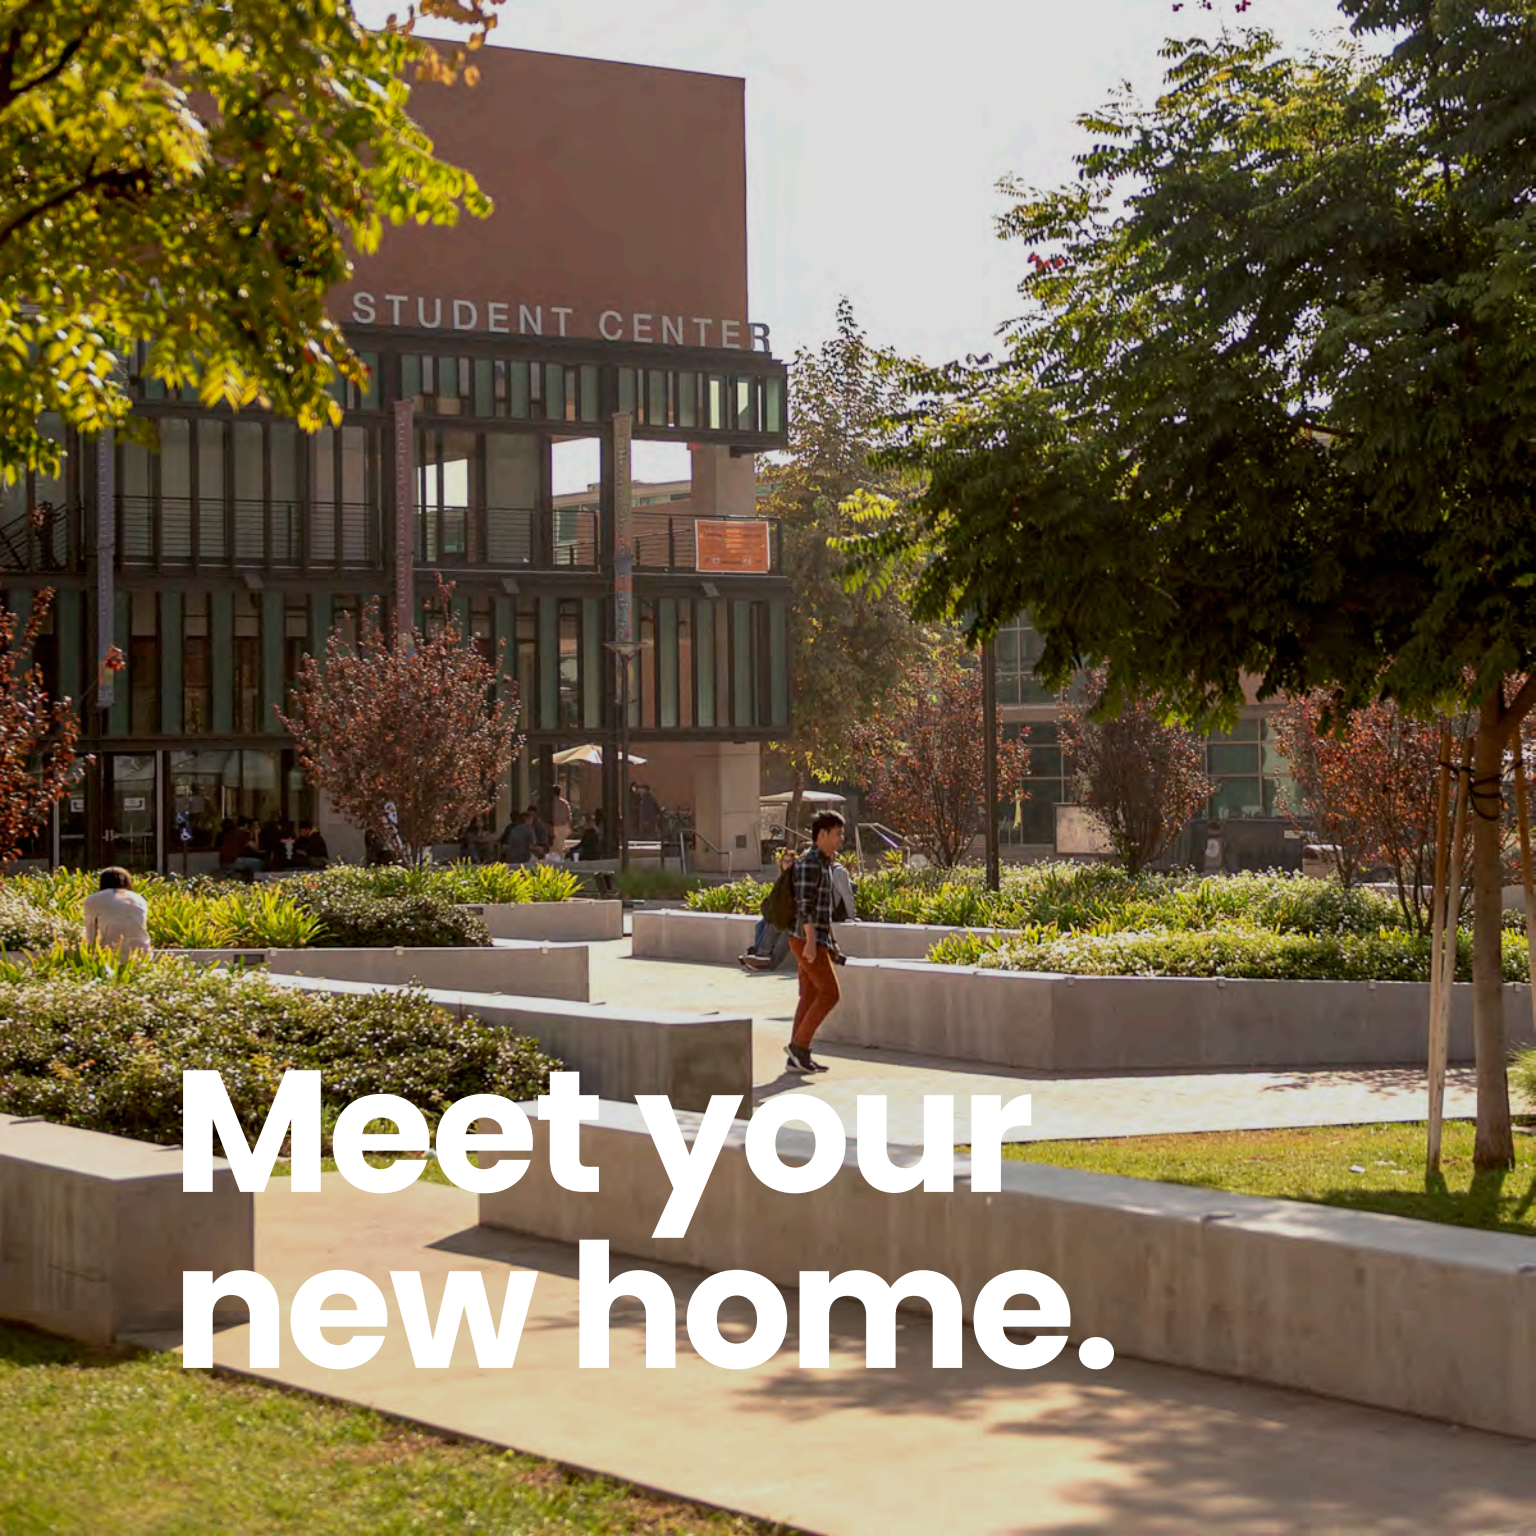

Welcome to ELAC!  
We're a community college that offers both academic transfer courses and vocational programs, all of which prepare students for transfer to a four-year institution or careers in the workforce.

Let's show you around.

A black and white husky dog is sitting in a garden, looking towards the left. The dog has a thick coat with black and white patches. In the background, there is a brick building with a white gable roof and a metal railing. The scene is brightly lit, suggesting a sunny day.

**It all starts  
as a Husky.**

# Meet your new home.

For students, continuing education at ELAC has never been better. We've modernized our campus, teach quality level classes, offer dozens of associate degrees & certificates, and so much more. Plus, attending ELAC has its perks.

## We're talking...

### Quality education at affordable costs.

We teach the same quality education you find at four-year institutions at an affordable price of \$46 a unit. Smile! You'll save tons.

### Small class sizes.

Imagine a class with over 100 students? Couldn't be us. Our classes are under 30 students to create an intimate learning experience.

### A beautiful campus.

With fresh landscape design and modern buildings, our Monterey Park campus is one shiny 82 acre campus.

### Exceptional flexibility.

We make it easy to take online, hybrid, or in-person classes all year long. Classes typically last about 16-weeks, but with short-term, you can take courses that last 5 to 8 weeks.

Whether you have your heart set on a specific major or still exploring options, we make it easy to find the right career and academic pathway for you with dozens of degrees and certificates.

### Skill Certificates

By taking just a few courses, skill certificates offer a faster way to gaining the skills you need to start your career. It's perfect for first-time job seekers looking to get the experience they need to be field ready.

### Associate Degrees

Our degrees offer you unique skills needed for specific majors to enter the workforce. If you're planning to transfer, obtaining an associates has you even better prepared towards earning a bachelors degree at a four-year university.

### Associates Degree for Transfer (ADT)

ADT's are guided towards students looking to transfer to a CSU. Those who complete an ADT are guaranteed priority admission to a CSU campus, without declaring a particular campus or major.

### Transfer Admission Guarantee (TAG)

With the TAG program, eligible students can apply for a transfer guarantee to one of 6 participating UC campuses. TAG! You're in.

Explore our  
32 majors.

## Meet the CAPs!

Our degree and certificate programs are organized into eight CAPs. Each CAP includes major and general education coursework recommended by faculty to help develop your educational plan.

- Administration of Justice & Public Safety
- Arts, Media, & Design
- Business, Law, & Information Technology
- Exploration & Preparation
- Health Sciences
- Language & Communication
- Science, Technology, Engineering & Mathematics
- Social & Behavioral Sciences

## Our majors.

Administration of Justice  
Allied Health  
Anthropology, Geography, Geology  
Architecture  
Art  
Automobile Technology  
Business Administration  
Chemistry  
Chicano/a Studies  
Child, Family & Education Studies  
Communication Studies  
Computer Applications & Office Technologies  
Counseling  
Dance

English  
Journalism  
Kinesiology  
Library Science  
Life Science  
Mathematics  
Media Arts & Technologies  
Modern Languages  
Music  
Nursing  
Philosophy  
Physics  
Psychology  
Social Sciences  
Theatre Arts

**There's something  
for everyone.**

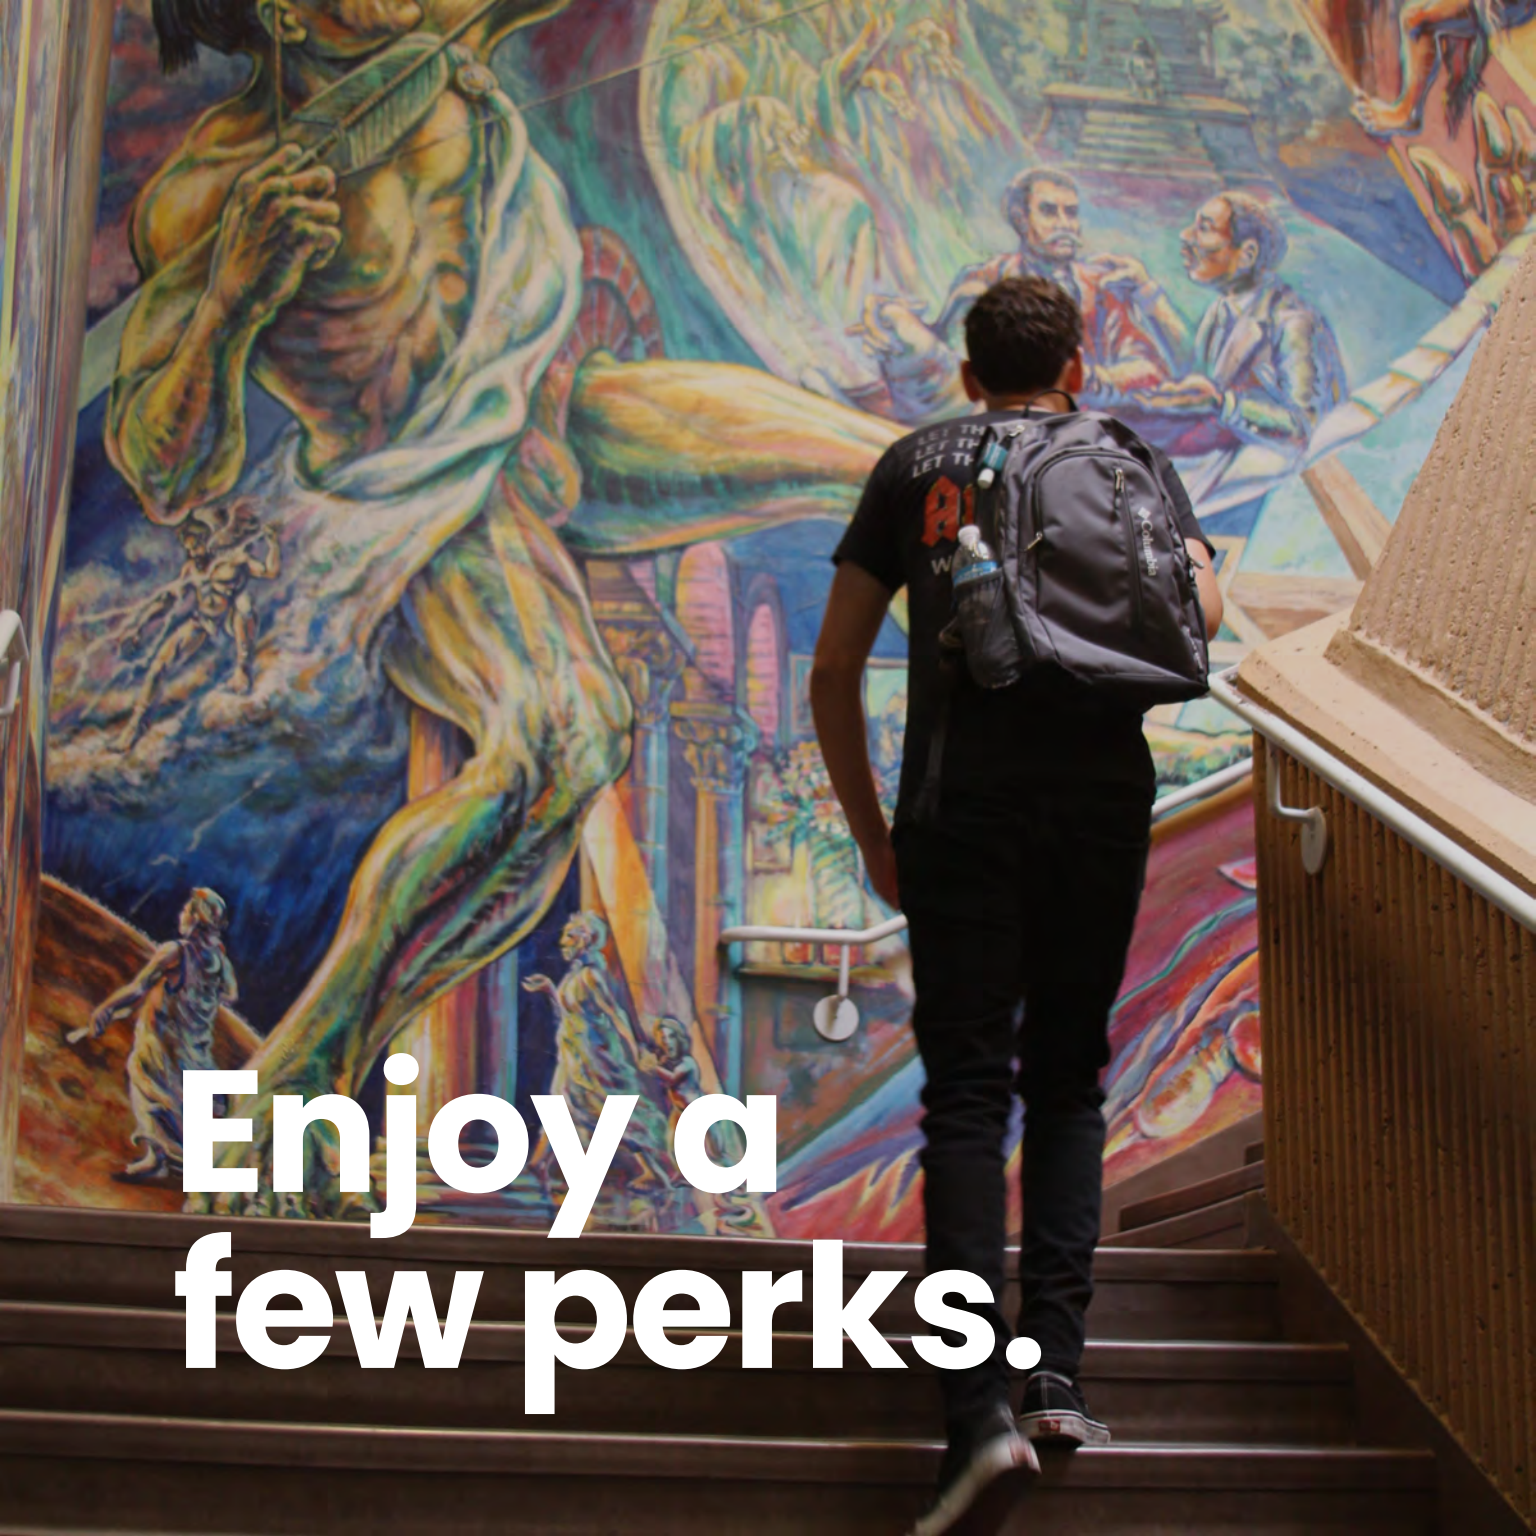

### Non-Credit

Our free Non-Credit program teaches adult learners through a curriculum that helps prepare students with academic preparation, basic skills, citizenship, ESL, and career training.

### Dual-Enrollment

With dual-enrollment, high school students have the opportunity to earn college credit at either their high school or on campus! Best of all, there's no tuition costs. Your wallet will thank you. Cha-ching!

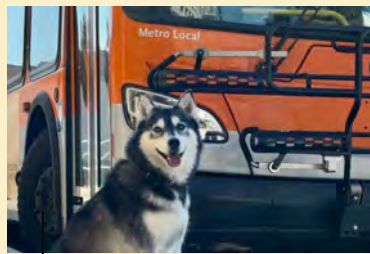

# Enjoy a few perks.

## **We've got a promise.**

It's 2 years of free tuition for full time college students. Nice! And with our First Year Center, you get mentors and support staff to guide you throughout your journey. It's one promising program.

## **Your free chauffeur.**

Hop aboard Metro and other participating systems for free with GoPass. Use go pass all year long to get to and from campus and after hours trips for weekend fun. Now that's a better ride.

## **We'll cover your tech.**

Your success is our number one priority. That's why we provide actively enrolled students with access to a computing device or wifi hotspot.

**A New Home.**  
With enrollment increasing, ELAC moved to its present site in Monterey Park.

**A Husky Rises.**  
ELAC's mascot Avalanche lived on campus and would pull the ELAC bell at football games until 1958.

**A First For ELAC.**  
Armando Rodriguez becomes first Latino ELAC President.

1973

**Open For Enrollment.**  
In Fall 1997, ELAC opened the South Gate campus to serve southeast communities.

1997

**A New Campus.**  
On March 22 2019, groundbreaking for the new South Gate campus began.

2018

## Campus Highlights...

1945

**The Journey Begins.**

On September 4, 1945, ELAC began instruction to 117 enrolled students at Garfield High School.

1948

1968

**East LA Walkouts.**

On September 4, 1945, ELAC students participated in ELA walkouts protesting inequality in the public education system.

1984

**ELAC Hosts '84 Summer Olympics.**

ELAC hosted all field hockey matches that year at Weingart Stadium.

2004

**Constructing The Future.**

Completion of the Technology Center marked the the first of many new buildings which transformed the campus to what it is today.

2020

**Huskies In Action.**

ELAC Men's Basketball team featured on Netflix docuseries *Last Chance U: Basketball*

Get the full ELAC experience when you enroll as a full time student. Whether its studying abroad, joining a club, or studying for midterms, there's tons of student activities just for you. *Totally* worth it!

Joining student activities means you can help plan and host events on campus like football tailgates and festive day commemorations.

Every year, chartered clubs compete in friendly games at the Husky Bowl to see who's the ultimate husky champ.

Explore over dozens of student clubs every semester at Club Rush.

# Live the ELAC experience.

The library is equipped with study rooms, print machines, online databases, and all the comfy chairs you could ask for.

Transfer Center ensures students are assisted throughout the transfer journey with academic counseling, application guidance, and more.

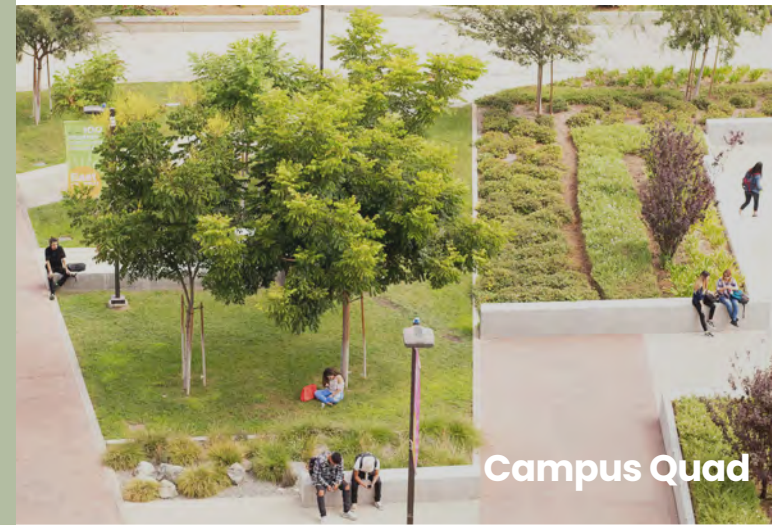

Tutoring for most majors is offered through the learning, math, and writing centers.

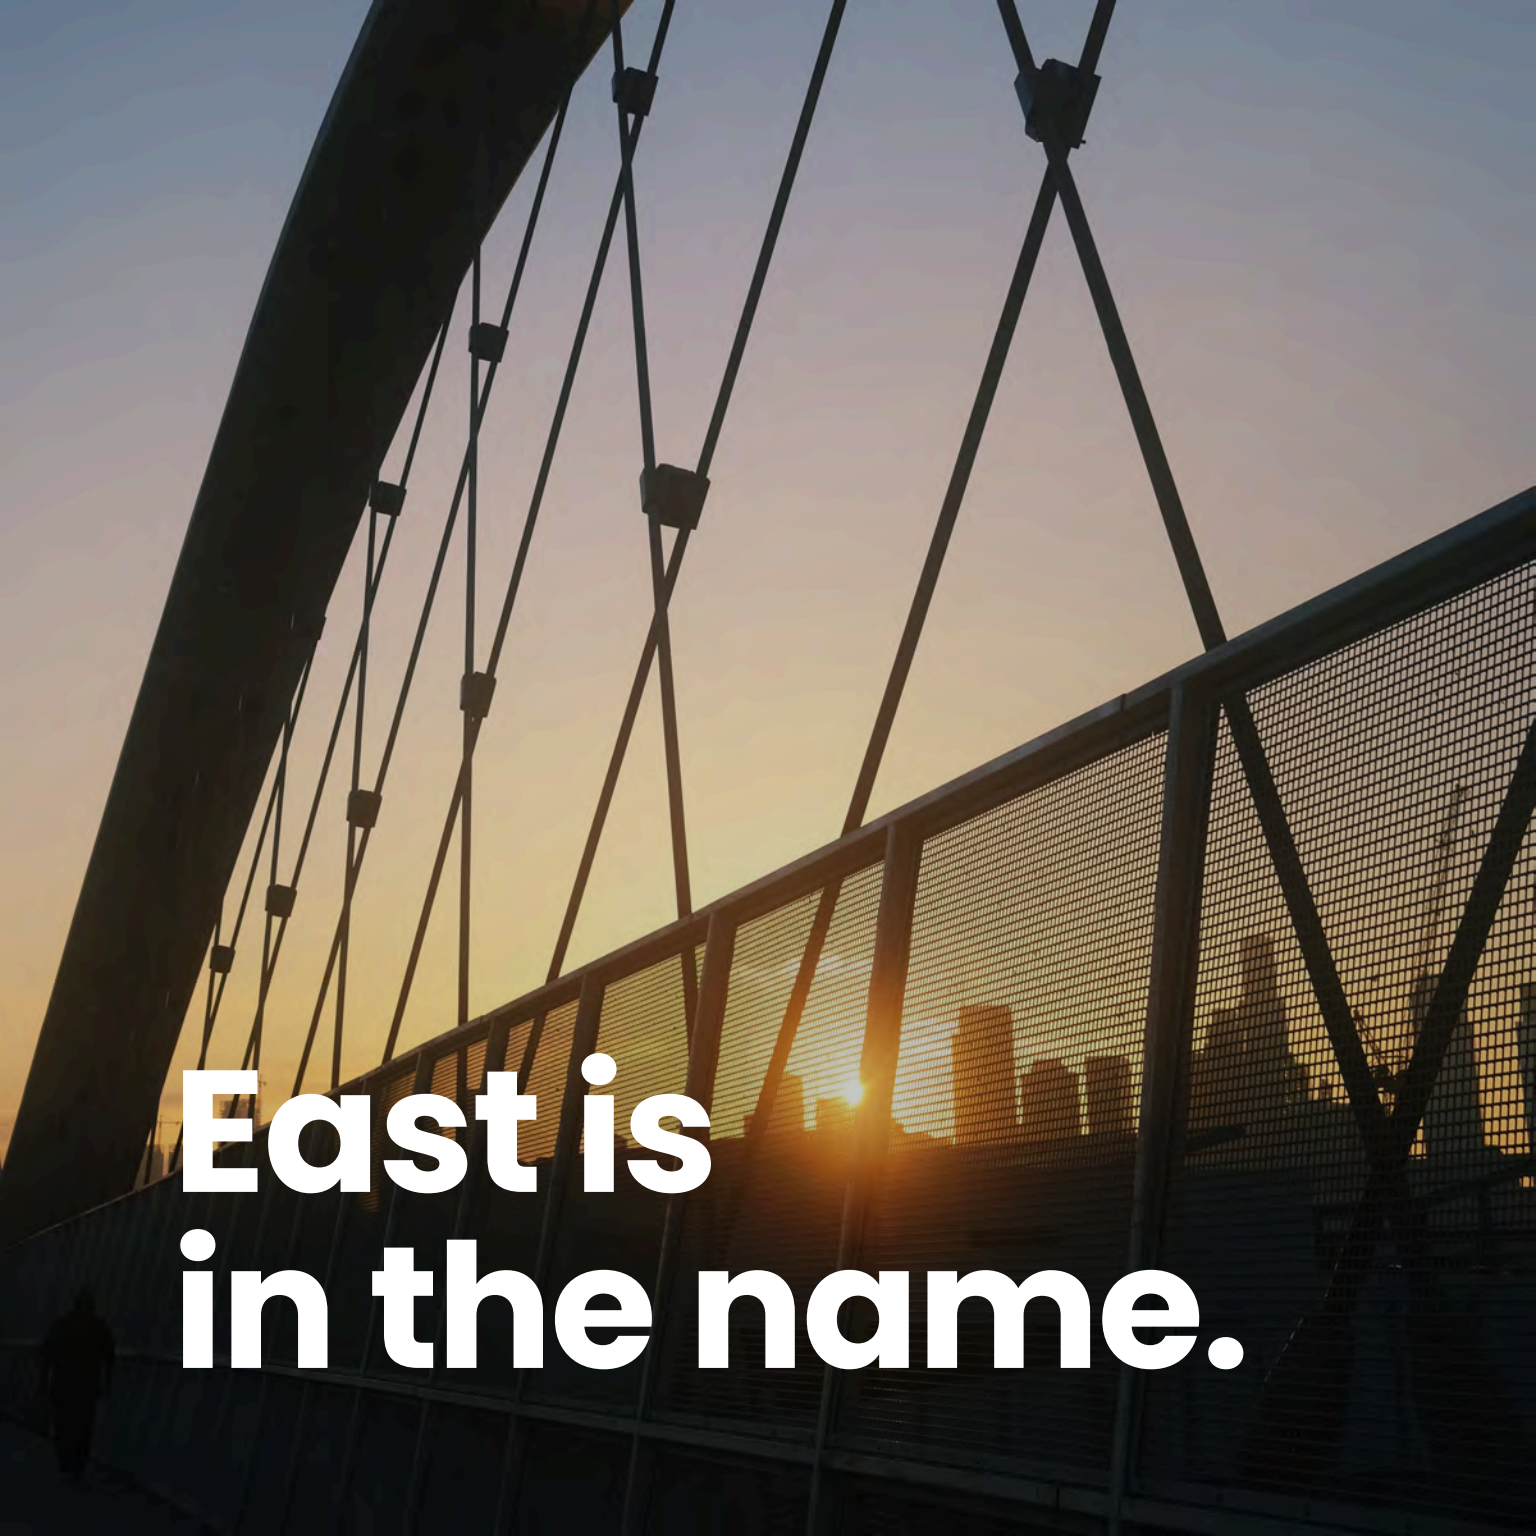

Each year, typically during Summer and Winter, you can even participate in a 3-5 week study abroad program to various places around the world.

## Need to study on campus? Say no more.

From the designated study rooms in the library to a hidden leafy refuge in the quad, this makes studying on campus perfect for relaxing and tackling every task. Here's a few of our favs!

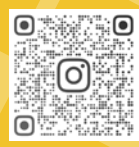

# East is in the name.

Whether you're relaxing in the quad or visiting the restaurants right off Atlantic, there's plenty for you to do and see right here — on campus and across the Eastside.

Step off campus and discover a world of urban culture such as the Whittier BI sign, the Sixth Street Viaduct, and of course a taste of Eastside grub. Mmhm yum!

For a look at the Eastside's hottest nightspots, see our Instagram reel.

# One shiny campus.

# Your next steps.

## 1. Apply to ELAC

Complete the application through the district: visit [bit.ly/ELACApplyS22](https://bit.ly/ELACApplyS22) online.

## 2. Apply for Financial Aid

Financial Aid funding is provided by federal and state governments to assist students with their educational expenses.

Applications are available as early as October 1st at [fafsa.gov](https://fafsa.gov) and [ca.dreamact.org](https://ca.dreamact.org) for AB 540 students. For assistance, visit the Financial Aid office on campus in EI-135.

## 3. Visit the Welcome Center

The Welcome Center helps with any last steps before signing up for classes. Visit [bit.ly/ELACWelcome](https://bit.ly/ELACWelcome) online for more information.

## 4. Register for classes

Sign up for in-person and online classes by heading online to [register.elac.edu](https://register.elac.edu).

We've tried to give you as much info as we can about ELAC, but nothing beats the real thing. Come visit us! We'd love to show and tell you all about our campus.

There's an amazing journey ahead.  
Ready to discover it all? Meet us at ELAC.
