This course introduces ethics in a balanced mix of theory and practice that is unified and coherent, engaging and compelling. Philosophy 20 is fully transferable to CSU and UC; (3 Units) UC:CSU IGETC Area 3B (C-ID PHIL 100). Thus, it serves to meet the same transferable purposes as the Philosophy I: Introduction course. This course also serves as a core course for the Philosophy AA-T degree program, as well as the Business Law, Public Policy and Society AA-T degree program.\* Please consult the ELAC General Catalog at elac.edu for information on this class.

\*Note: The logical and analytical thought process that students develop in Philosophy classes, is critical for success in the LSAT, Law School Socratic Method, the CA Bar Exam, and ultimately the analysis of complex legal issues in the practice of law. Many Philosophy majors eventually attend Law School and an ELAC student with Dual Degrees in "Philosophy" and "Law, Public Policy, and Society" might increase their odds for admission to preferred universities and potentially Law School.
