Dear Monica

This letter serves as confirmation by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM) that the associate degree program in health information management offered by East Los Angeles College has completed the 2014 Annual Program Assessment Report as required by the *CAHIIM Accreditation Standards*. The APAR Report was accepted as submitted, and the health information management program as referenced above remains in good standing and has maintained continuing accreditation.

The Commission recognizes you and your colleagues for your commitment to continuous quality improvement in higher education, as demonstrated by your participation in program accreditation.

Sincerely,

A handwritten signature in black ink, appearing to read "Claire Dixon-Lee". The signature is fluid and cursive, written over a horizontal line.
